PUBLISHED THURSDAY

JOHN PERRY, Sausalito distributor, demonstrates to Police Chief Roland Petrocelli (left) and Captain Roy Beecher one of the radar timers Daly City soon will purchase on a "trial" basis in an effort to discourage speeders and reduce accidents. Petrocelli's men will be schooled on the use and maintenance of the devices which are endorsed by leading cities and the National Safety Council. "Speed checked by radar" signs will be placed on major streets here.

Foster Replaced On Planning Commission By Westlaker Stewart

McRobert L. Stewart, 33-year-old Westlaker, was appointed to Daly City's Planning Commission Monday night by 3-1 vote of the council.

The minority vote was cast by Councilman Joseph Verducci who termed the six-year service of outgoing Commissioner Roy W. Foster "a real fine job" and moved that he be reappointed to another three-year term.

Councilman Michael DeBernardi prompted Verducci's argument with the motion for Stewart, Mayor Frank Pacelli and Councilman Edward Dennis supported DeBernardi's motion. Absent Councilman Bob St. Clair also favored Stewart, according to Dennis who took Verducci to task for the latter's endorsement of Foster.

Said Dennis: "I spoke to Foster about the other men being considered for his post. I preferred Foster to one of those mentioned, but I was agreeable to the council majority's choice of Stewart—and Foster said he was satisfied."

Verducci firmly replied: "I don't feel it incumbent on us as councilmen to ask city commissioners whom they would like to succeed them... the decision is entirely a councilmanic responsibility."

Dennis then snapped: "I'm a personal friend of Roy Foster and I'm sure he's aware we have appreciated his efforts. Don't forget you (Verducci) had a couple of persons in mind for Foster's replacement, too."

Pacelli interrupted the fireworks with, "It's still the prerogative of the council to make the decision."

But Dennis continued: "Do you have any objection to the courtesy I extended Foster by telling him our intentions," he asked Verducci.

Verducci did not answer. Then Pacelli ordered roll call vote and Stewart was appointed.

Dennis quickly moved for a letter of commendation citing Foster, 536 Hillside boulevard, for his work as commissioner. Stewart, a Daly City resident

seven years, is a member of the Westlake Improvement Association board of directors—a post he has held three years. He represented the WSIA as freeway committee chairman and has been active in several community projects.

Stewart, a graduate of Balboa High and a Marine Corps veteran, resides at 8 Castlewood avenue with his wife, Nanda. He is employed by the White Lumber Company on Junipero Serra boulevard.

A second commission appointment Monday night carried unanimously. Selected to fill a vacancy on the Personnel Board was attorney Albert Polonsky, 12 Fleetwood drive, Westlake. On the same board three years ago, Polonsky's return was moved by Pacelli and seconded by Verducci.

A seven-year Daly City resident, Polonsky, 38, is a graduate of the USF Law School and has his offices in San Francisco. He and wife Shirley have two sons, Richard, 9, and Jeffrey, 6.

Two library commission vacancies remain unfilled.

Verducci Urges 'Changes' By Sanitation Board To Satisfy Public 'Concern'

High School District To Join Elementaries On Bond-Aid Ballot

Both the high school and elementary district will ask voters to approve sizeable bond-state aid issues at the polls here next February 7.

The high school board Monday night agreed to go on the same ballot with the \$9,800,000 elementary district election.

Supt. Ed Morgan of the high school district is projecting

FOUR-STORY

Planners Grant McKee Variance For Apartments

The Planning Commission granted builder Chris McKee a variance to erect four-story apartment buildings on the north side of Eastmoor avenue Monday night by 3-1 vote.

Although the city ordinance limits apartment heights to 35 feet, only Commissioner Tony Masini opposed McKee's request. And the action was accented by builder Mike Callan's support of the four-story variance "as good for Daly City."

Chairman Dick Dwyer's comment pinpointed the commission majority's reaction to the McKee and Callan remarks. "It's nice to see some congeniality between you two builders," Dwyer stated.

McKee intends to erect two buildings containing 80 units on the north side of Eastmoor near Gilman drive—some of these across from Callan's undeveloped 21 acres which also includes plans for multi-story apartments.

In other actions, the planners (Commissioner John Schaeffer was absent):

1. Okayed use permit for Forest A. Straight, 64 Belmont drive, Daly City, for brakes service supply business at 1969 Junipero Serra.

2. Approved use permit application of Foster and Kleiser (Continued on Page 2)

site and building needs up to 17 for the spring election. His figures will be based on the Stanford Survey and anticipated subdivisions growth.

Trustees will discuss the size of their February 7 request at their meeting October 24 at 375 South Mayfair, second floor, starting at 7:30 p.m. In a special meeting on Friday, October 28, the board will finalize the bond amount and also award the contract for construction of Oceana High in Sharp Park.

The district's last bond issue, in 1957, runs out this school year and state money is available.

(Continued on Page 2)

Fund Campaign

MARY'S HELP PLANS 'EARLY 1961' DRIVE

A fund-raising campaign for the proposed new Mary's Help Hospital in Daly City will begin after the first of the year, Sister Hermine, administrator of the present hospital, reported today.

Mary's Help officials three weeks ago announced purchase of a 7 1/2 acre site here below the Crocker Hills within walking distance of Hillside boulevard and Mission street.

Sister Hermine said the hospital's architects are working on plans for the 250-bed first increment. Construction, "if all goes well," is expected to begin late next year. The hospital may be operational by early 1963, Sister Hermine said.

Cost of the new facility is estimated at \$10 million. The site cost \$265,000.

NIGHT SESSIONS AT CITY HALL?

'Acceptance' Hinges On Requested Shifts

Councilman Joseph Verducci is willing to accept his "appointment" as a North County Sanitation District director if present members of the three-man board at next Monday's meeting will agree to change the twice-monthly sanitation meetings from mornings to evenings so that more citizens can attend and learn more about sewer district actions.

Verducci's letter on his decision Monday night brought only one objection—that of Councilman Edward Dennis who declared that evening meetings of the sanitation board "would entail additional costs since sanitation district employees would have to be paid for night attendance."

Verducci answered that Dennis' point "is not one of prime consideration," and Mayor Frank Pacelli agreed, urging that Verducci sound out the board at next week's meeting.

The council voted Verducci's appointment to the sanitation

board to replace DC Mayor Pacelli at the September 26th council meeting.

Wrote Verducci: "I was concerned because I hoped that a more suitable time could be arranged to hold sanitation board meetings than at 9 a.m. in the mornings. As you know, my profession as a teacher and administrator limits my time during the day. I will suggest to the sanitation board members that as a public body they hold their meetings in the evening when it would be least inconvenient to the citizens who would most want to attend. There has been a great interest recently evidenced in this board as there has been in the council meetings. We should make every effort to accommodate the public interest. If the sanitation board members will not meet in the evening I will so notify the council and then report as to whether or not I can remain on the sanitation board."

Governor To Lead 'Rally' In Westlake

Governor Edmund "Pat" Brown will be guest of honor at a Democratic rally to be staged at Westlake Mall this Friday at 7 p.m.

Also present will be the Democratic candidates for election on November 8: John Kaster, 9th Congressional District; Bill Gately, State Senator; and Bob Hardgrove, 25th Assembly District. Mayor Frank Pacelli of Daly City Council will officially greet the governor and present him with the keys to the city.

Music and entertainment also are on the program. The North County Young Democrats will be junior hosts and hostesses, with tables set up for distribution of campaign literature, Kennedy buttons and hats.

Preceding the rally, a reception will be held for the governor at Bob's on Broadway, Burlingame, from 5:30 to 6:30 p.m. Contribution at the door is \$1 per person, and hors d'oeuvres and refreshments will be served. A cordial invitation is extended to all to attend this reception and join the motorcade to Westlake Mall.

The mayor gavelled O'Haire to a halt after telling him that he should bring his proposal to the sanitation board "not here... we have nothing on the agenda on this topic."

Asked by Pacelli if O'Haire's remarks were out of order, City Attorney Paul Hupf answered that the proposal "affects all members of the council" as well as those on the sanitation board.

Pacelli's parting shot to O'Haire was: "You can discuss (Continued on Page 2)"

Burglars Raid Two Schools

Burglars broke into two Daly City elementary schools late Thursday evening last week and their haul totaled \$116.50.

Raided were Thomas Edison, 1255 Southgate avenue, and Olympia, Northgate and Westmont drive, Principal Harry Aronson's office at Edison yielded \$92 cash and \$13.50 in checks. At Olympia, Principal Louine Bostwick listed a money bag containing \$11.50 in students' milk funds as missing.

"The burglars were 'professional,' scattering papers, prying and ransacking desk drawers at both sites, Officer David Johnstone said entry at Edison was made through a defective overhead transom which had a faulty lock. A window on the east side of Olympia was broken for entry, according to Officer John Coleman.

School Supt. Richard Foster (Continued on Page 2)

Almost 20,000 More Demos Than GOPers In San Mateo County

Registered Democrats outnumber San Mateo County Republicans by almost 20,000, according to figures released today by County Clerk John A. Bruniga.

The county lists 119,014 Democrats and 99,377 Republicans. State registration includes 4,295,330 Democrats and 2,926,408 GOP members.

'APPLICANTS' TAKE CASH

Serra Loan Company Robbed Again -- \$215

Two young gents who made application for a \$600 loan left General Acceptance Corporation, 1801 Junipero Serra boulevard, late Tuesday afternoon with \$215 from the till and the wallets of manager Anthony Greco and clerk Roger A. Hall.

The suspects, in their early 20's, had two companions—one who entered with a shotgun and another waiting outside in a getaway '57 Chevrolet.

The stickup scheme began at 4:15 p.m. when two of the robbers said they wanted to "apply" for a \$600 loan. They endorsed the papers as "Fred E. Johnson of Wilshire Stations."

Next came their interview by clerk Marge Arguello, 22, of 123 Los Banos avenue. She had hardly begun when the third suspect entered the building carrying a paper-wrapped and taped shotgun. He hauled this out and announced "a stickup."

One of the loan "applicants" then foisted a blue steel revolver and the trio kept the few customers and staff at bay—pilfering the cash drawer and lifting money from the wallets.

They left with the admonition: "Don't call police for three minutes... and we mean it."

General Acceptance was robbed by two other bandits June 6 this year. They later were apprehended in San Francisco.

Officer Phil LaBruzzo led Daly City's investigation of Monday's episode.

Low Bid \$674,558 Contract Awarded For Columbus School

Jefferson Elementary District last Thursday awarded a low bid \$674,558 contract to the Oakland firm of Harrod and Williams for the construction of Christopher Columbus School at the corner of Skyline and St. Francis boulevards.

Harrod and Williams presently are constructing George Washington elementary school on the east side of Daly City.

This plant will be ready for students next January.

The Allocations Board released the Columbus funds earlier that day in Sacramento on request of Supt. Richard Foster and Asst. Supt. Dr. David Shapiro.

Columbus school is time-tabled for a September of 1961 opening. The plant is designed for 19 classrooms, a multi-purpose room and an administrative unit. Angus McSweeney is its architect. The site cost the district \$319,500.

Other bidders were: O. E. Anderson Company, \$677,204; Pacific Empire Builders, \$697,294; Martinelli Construction,

\$697,840, and Ralph Larsen, \$717,544.

Foster and Shapiro also checked out final plans for M. Pauline Brown school in St. Francis Heights and the district's request for \$350,000 for an Education Center headquarters building in southern Westlake.

The Allocations Board will consider the Education Center grant at its November 10 meeting.

Final plans for Franklin Delano Roosevelt school, mapped for Westlake Unit 11 (Terrace), have been forwarded by McSweeney. District officials will appear at the December Allocations Board session to expedite this project. Roosevelt's completion is anticipated by September of 1962.

FRANKFORT STREET IMPROVEMENT DUE VIA ASSESSMENT PROCEEDING

Councilmen will meet in special session this Friday at 5:30 p.m. to finalize authorization of a special assessment district for improvements to Frankfort street between Acton and Oliver streets.

Engineer for the project is Ted Tronoff. There are 34 lots fronting this strip, and 14 new homes are mapped for the north side of Frankfort by California Modern Builders. A property owner on the south side of the street was denied R-3 (apartments) zoning at Tuesday's planning commission meeting.

The board held this would constitute spot zoning.

Public hearing of the assessment district will be held at the November 14 city council meeting at 8 p.m. in City Hall.

Council OK's \$2500 Outlay For Palms To Beautify Mission

City Councilmen transferred \$4499.50 from unbudgeted reserves Monday night to pay for a truckload of palm trees for Mission street's center strip, salary for a custodian at the new main library, and overtime for employees in the water department section of the finance office.

Councilman Michael DeBernardi voted against the palm trees project over statements by Mayor Frank Pacelli on the timeliness of the beautification move in view of Daly City's planned 50th anniversary celebration in May of 1961.

DeBernardi, against the "cost" of the palms and believing that smaller and cheaper trees would be more practical,

lost out by 3-1 vote. Councilman Bob St. Clair was absent, in Chicago with the 49ers.

The council's go-ahead for the purchase of the trees means the expenditure of \$2500 for a truckload of Washingtonia palms, minimum height 12 feet. They will be shipped here by F. A. Tetley of Corona, California, and planted on the ends of the Mission center strips. Another truckload of the palms will be ordered for delivery next spring, with payment coming from next fiscal year's budget.

City Manager Edward Frank said the best time to plant the palms would be this November, according to August Council parks department superintendent.

DETRIMENTAL OR ADVANTAGES?

Morton Explains Callan Park Area Sewage Status From Legal View; 'Switch' Depends On Supervisors

(Editor's Note: Following letter was received by North County Sanitation District Directors and forwarded to Daly City councilmen this week by attorney James Morton of the sanitation district.)

Gentlemen: We are writing this letter in accordance with your request and it is intended as a clarification of the present condition relative to sewage disposal in the Callan Park area.

To a very considerable extent, the owners of the property will determine the ultimate means of handling sewage in the area.

Since the landowners will be asked to pay the costs of the public improvements, they must have a voice in the determination of the means to be used to install the public improvements. After the owners have definitely determined on their ultimate policy relating to sewerage service for the area, it will be possible to state, more definitely, the effect of the determination of the developer on the operations of the North San Mateo County Sanitation District.

The Callan Park area is presently within the boundaries of

the North San Mateo County Sanitation District, and, if acceptable plans and specifications are provided by the developers, approved by the districts, and the system is constructed at the cost and expense of the developers, to such plans and specifications, the North San Mateo County Sanitation District will provide for such sewage disposal.

It has been proposed that a temporary connection be made for the area to the existing facilities. At the same time such a temporary connection is permitted, the district would require that proceedings be initiated to provide for an improvement district of the Callan Park area to provide for payment of the cost of sewage disposal for the area, and for the payment of all costs of construction and financing of treatment and disposal facilities at Mussel Rock.

If facilities are provided by

an improvement district within the North San Mateo County Sanitation District, as was originally contemplated, the improvement district will be subject to taxes for the payment of all of the costs of the facilities serving the improvement district. In such event, the limited area of benefit would pay the taxes for the facilities. The taxpayers of the city of Daly City would pay no share of the cost of the facilities unless the area, or any part thereof, should later become part of the city.

The developers may elect to provide other means for the ultimate solution of the sewerage problems in the area. If such other means are to be provided, the Sanitation District may be asked to provide temporary sewer service. Upon the execution of an agreement for payment of such charges as may be fixed by the district, the district may provide a temporary connection until such time as the new plant is constructed to provide the ultimate solution for the sanitary sewerage problems of the area.

We understand that the landowner is contemplating formation of an independent district to provide for sanitary sewerage facilities for the area. If this is done the facilities will be paid for by the landowners or taxpayers of the independent district. It may be that a temporary service contract might be requested by the independent district, or by the property owners, pending the completion of the new treatment plant by the new district.

In either event the district could, under its rules and regulations, contract to provide temporary service by special service agreement which would make the area subject to charges intended to fully compensate the district for the cost of services provided. Ultimately, the area must pay its own costs for independent sewerage facilities through the improvement district within the North San Mateo County Sanitation District or through a new district which may be proposed to be formed.

The area is presently within the North San Mateo County Sanitation District and, under present law, cannot be withdrawn from the District except on petition by the property owners or on the basis of pro-

ceedings instituted by the Board of Supervisors. Even if withdrawal proceedings are conducted, the area would remain subject to the bond taxes for the district facilities in Westlake Park, so long as the bonds are outstanding. This would mean that the Callan Park area would be paying taxes for the existing treatment facilities which would not serve the Callan Park area. The solution to this problem lies in the amendment of the County Sanitation District law or by an attack on the law in a court of equity to relieve the Callan Park area of bond taxes for facilities which would not serve the area. It is contemplated that legislation will be presented by this office in the January session of the Legislature, with the hope that the situation will be remedied by the Legislature.

In the meantime, the developer would be reluctant to provide for independent facilities if he must continue to pay taxes for facilities of no benefit to the developer's lands.

The present effect of the area lying within the district boundaries is that it is subject to the district as a whole. The area does add to the tax base of the district and does tend to reduce the district taxes for maintenance and operation and bond service.

While the ultimate means of providing sewerage service to the Callan Park area has not yet been determined, the North San Mateo County Sanitation District will not provide services to the area except to the extent that such services are paid for by the Callan Park area. The district has the power and the means at its disposal to insure payment by the area of all costs and of all services provided to the area by the district. It is our understanding that the district has uniformly stated its policy as requiring the area to fully pay its way so as to eliminate any possibility of cost to other taxpayers within the North San Mateo County Sanitation District.

Signed,
James T. Morton
Attorney
North SM County
Sanitation District

Planners Grant

(Continued from Page 1)

for roof advertising structure at 6356 Mission street.

3. Held over for more study application for use permit and variance by Systematic Savings and Loan Association for erection of illuminated sign at 7070 Mission street. Height requested is 42 feet.

4. Approved tentative map for Conlee Park, a 12-unit subdivision of three lots on the westerly side of Third avenue between Price and Castle streets, filed by Henry Gramberg, 136 Chestnut street, San Carlos. The applicant has agreed to pay for a street connecting Price and Castle. He has been granted a variance on front setbacks and plans apartments.

Mission Merchant Ray Charette asked the commission the "status" of Daly City's proposed billboard ordinance. The answer was that it has not been finalized for commission approval. Charette made reference to the need of a billboard ordinance in order to qualify the city for state landscaping of freeways here.

Verducci --

(Continued from Page 1)
this with the sanitation board. I don't set the rules."

O'Haire's retort: "But you can change them (the rules)."

Dennis then said the matter could be resolved by Verducci's request next Monday.

A scheduled report on the sanitation district's plans for Callan Park, listed on Monday's council agenda, failed to materialize. Pacelli said the report had not been received from attorney James Morton and engineer Harry Jenks of the sanitation district.

City Manager Outlines Status Of Budget Projects To Council

(Editor's Note: Following is text of City Manager Edward Frank's fiscal budget progress report, read at Monday's Daly City council meeting.)

This report is submitted for the purposes of information and keeping the Council and general public aware of the program for the fiscal year as a part of the detailed budget adopted by the Council. A list of the projects and types of assignments the City personnel and various departments are going to do or have done during the fiscal year ending June 30, 1967, is included.

There may be some changes made in the list during the year, depending on circumstances, personnel available, and policy changes by the Council. It should be emphasized that the list presented has nothing to do with routine work—that is, day-to-day procedures and activities—in the departments.

These projects, with one exception, are being done without any request for additional appropriated funds from the unappropriated reserves. The exception is the planting of trees on Mission street, which was agreed upon informally by the Council. Because of the difficulty in obtaining enough and the proper size of trees, the project will be carried over into the 1967-68 fiscal year, and one load of trees will be ordered this year. A request for an appropriation of \$2500 will be asked of the Council.

All other projects and jobs, including a number of extras, will be taken care of under the appropriations authorized by the Council, although it should be kept in mind that emergencies or changed conditions during the year may require additional funds. The staff is attempting to stay within the programmed plan for all departments as it may affect personnel, materials, purchases, and capital outlay projects completed by City forces or by contract.

It is the opinion of this office that the taxpayer footing the bills should be aware of what is being done by the City for the benefit of all in carrying out this program.

The list is broken down by departments. Projects that have been started are 50 per cent to 100 per cent complete.

Engineering Department:—(Includes design, plans, specifications, drafting, and estimates in nearly all instances.)—

*1. Thiers Street surveying and improvements; *2. Ocean Grove pumping station; *3. Corporation Yard building; *4. Mission Street resurfacing for State Highway Department; *5. 8-inch Transmission Line, Brunswick street; *6. Master storm sewer drawing; *7. Specifications and estimates for Well No. 13; *8. Westlake Avenue resurfacing; *9. New Citrus sump and pump; *10. Hillside storm drain; *11. Reservoir No. 1 precast pump; *12. City Garage partitions; *13. 14-inch Transmission Line from Well No. 12; *15. Reservoir No. 6 sprinkling system and design; and *16. Reservoir No. 2 roof. Among other jobs that will be carried out by this department are: Correcting water system maps to date; Compiling daily water log; Library sprinkling system and inspection, design, etc.; and Corporation Yard master plan drawings.

Others may or will be included as the occasion arises, depending on the situation. It should be noted that these are not to be considered as routine work, such as plan inspection, surveying, filing, handling complaints, meeting the general public, and so forth.

Maintenance Department:—Rebuild Reservoir No. 2 roof; Pumping station at Reservoir No. 1; Painting Reservoir No. 4 and replacing screens; Finance offices; Old City Garage partitions; Galvanizing the street light poles; Frankfort Park retaining wall; Paint and repair rooms and gutter on War Memorial Building; Police Department and quarter maintenance changes; Miscellaneous repairs in City Hall and Finance; Improvements on Edgewood Park, Marchbank Park, and smaller assignments on the other parks; Painting Reservoir No. 4 and the pump shelters, the Water Office, and Mission Street Library; and Miscellaneous repair and shelving for various departments.

Water Department:—Reservoir No. 1 pump; Place 3/4-inch main on Rice Street; Relocate distribution system; New chlorinator at Well No. 12; Well No. 13; Pumping station; 14-inch line, Ocean Grove; Surge one well; Library and fire house sprinkling systems.

Street Department:—Mission Street planting; Rebuild curb and gutter returns; Pave gutter around Westmoor or high school; Corporation Yard retaining wall; Extend paving for new building; Cleaning Lake Merced channel; As well as the use of Gas Tax funds for paving Sullivan avenue, paving 90th Street, and resurfacing various streets.

Park Department: Painting and landscaping Reservoir No. 6; Planting trees on Mission Street; \$20,000 project for Westmoor Park; and Flower show and County Fair display.

It should again be noted that this list does not include the miscellaneous repairs, street painting, office painting, water operation, meter installation, cleaning or patching, or general maintenance work in the Maintenance, Street, Water, and Park Departments, which go on continuously. It shows the types of projects that are a part of this year's planned budget, and represents a big work load for all the departments. When additional jobs are added during the fiscal year, it usually means that some planned job is held up or delayed.

It is hoped that this presentation of the staff program will be of value and information to the Council and all interested citizens, in order that they may be aware of the variety and extent of services and projects that are carried out by the City personnel.

Respectfully,
Edward Frank
City Manager
Daly City

Man, 49, Faces Court Edict On 'Assault' Charge

Chester A. Zaluk, 49, who lives at 84 Vendome avenue, is due in municipal court this week to answer a charge of striking a neighborhood youngster on September 20 when Zaluk admittedly was drunk on the street.

John DeGroot, 56 Vendome, signed the complaint on behalf of his son, John Jr., 11, whose face was bruised on the right side.

Zaluk, employed as a floor covering mechanic, told Police Officer Frank Murray he "couldn't remember what happened."

Another resident of the block, however, told officers he witnessed the incident.

Murray's report indicated Zaluk conceded he had been at odds with neighborhood children whom he accused of breaking windows at his home.

'International' Fashion Festival Due At Lakeside

The "International Fashion Festival" of the Sodality of Our Lady of the Assumption of St. Thomas More Parish will be held at Lakeside Olympic Club on Saturday, October 22 at noon.

This show will be coordinated with the International Film Festival, sponsored by the Art Commission, and will demonstrate the foreign influence on current fashions. Styles suitable for cocktail parties, dinner parties and receptions will be shown by the City of Paris. Reservations may be made with Mrs. James P. Kelly, 168 Serrano, JU 6-7217, or Mrs. D. H. Robinson, 55 Chumassero, JU 6-8275.

INSURANCE MAN FINED, PLACED ON PROBATION

Judge Charles Becker last week fined and placed a 54-year-old Daly City insurance agent on a year's probation for drunk driving on Mission street here June 28.

Thomas J. Laramie, resident at 57 West Cavour street, was fined \$150 and his driving permit was suspended six months.

According to Police Officer Frank Murray's arrest report, Laramie's auto was seen swerving in southbound lanes on San Jose avenue after he drove off Alameda boulevard in San Francisco. The auto thudded to a halt when it rammed the center island at Hillside - Mission, blowing out a tire and damaging the directional sign.

Another motorist, first to spot the erratic course of Laramie's auto, made a citizen's arrest and held Laramie in custody until police arrived.

OBITUARIES

James Dizenzo

Saturday morning funeral services at Lasswell's paid tribute to James Dizenzo, resident of Daly City 50 years who lived at 51 San Joaquin avenue. He died October 6 at Mary's Help Hospital.

A native of this state, Mr. Dizenzo was a member of Brothers Union Local 896 and Guadalupe Parlor of Native Sons of the Golden West.

He is survived by his wife, Mary, and was the son of the late Dominic and Josephine Dizenzo and the brother of the late Frank, Michael and Louise Dizenzo.

Fred Parker

Funeral services October 5 paid final tribute to Fred Parker, a 49-year-old Daly City resident who lived at 208 Los Banos avenue. He died October 3 at his home.

Mr. Parker was a native of England and a California resident 32 years.

He was the husband of the late Ellen May Parker, the father of Mrs. Alice Mary Ludlow, and the grandfather of Mrs. Frances Gaggero, James and Carl Ludlow.

Services were held at W. C. Lasswell and Company mortuary.

Edward A. Lopez

Funeral services were conducted Saturday for Edward Anthony Lopez, 449 Hillside boulevard, Daly City, who died October 6 in South San Francisco.

A member of Musicians Union Local No. 6 and Daly City Post 410 of the American Legion, Mr. Lopez was a California native and a local resident the past 47 years. He was the manager of the Self-Service Laundry, 6165 Mission.

He was the husband of Anita R. Lopez, the son of Mrs. Caroline Lopez and the late Joaquin Lopez, the brother of Mrs. Madeline McDevitt, Mrs. Anna Randall, Santos and James Lopez, and the stepfather of Mrs. Rita Anderson.

W. C. Lasswell and Company handled funeral arrangements. Interment was at Golden Gate National Cemetery, San Bruno.

THE NEW GAS OVENS DO MORE THAN COOK

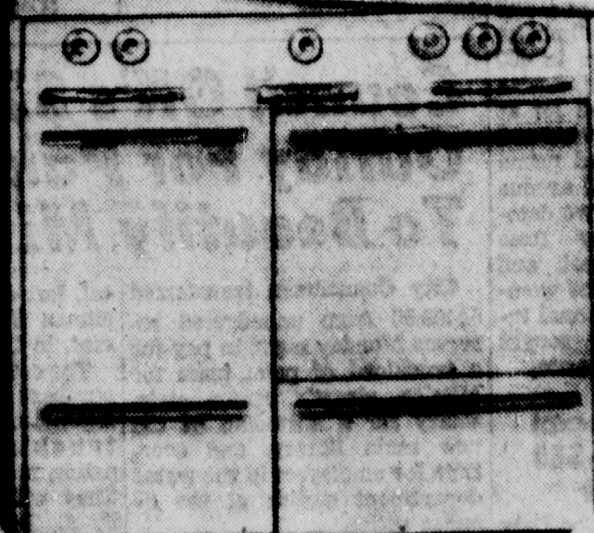

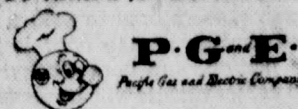

New low oven temperatures keep foods warm for hours without overcooking!

The new gas oven control lets you dial low temperatures never before possible. Instead of 250° F., a point where food continues to cook, settings go down to 140° F. where meat can be kept warm and juicy for several hours without drying out or shrinking. Rare roasts stay rare!

New low temperatures will keep all foods warm and ready 'til served—without overcooking. But that's not all! You'll now have the right temperatures for warming plates and thawing frozen foods.

See the new gas ranges with low temperature oven control at your dealer now.

SAN MATEO COUNTY

Crusade's Residential Fund Drive Begins Friday; Goal \$222,043

Mrs. Donald Allen, residential chairman for the 1960 campaign of the United Crusade of San Mateo County, announces that thousands of women will start house-to-house solicitations this Friday, immediately following a special TV Koffee-Klatch program.

The residential campaign has been timed so that all other campaigns, in industry, government, education and business will have already gotten underway. The opportunity to give at home is geared especially for housewives or persons who have no other regular place of employment.

For the 1960 campaign, residential volunteers have a total county-wide goal of \$222,043. Mrs. Allen said that an all out effort will be made to complete the drive within one week.

On Friday, Crusade volunteers will gather in their

homes for coffee parties to watch the 10 a.m. television showing on KTVU, channel 2. The program, which includes a special section for San Mateo workers, will officially kick-off the drive.

Working with Mrs. Allen on county-wide organizational details are Mrs. Thomas West, chairman for North County; Mrs. Charles McFarland, Central County; Mrs. Joseph Britschgi, chairman for South County, Region A, and Mrs. Douglas Horner, South County, Region B.

Mrs. Allen reports that a volunteer corps numbering 10,000 women has been enrolled for the drive. Chairmen for various areas are Bayshore, Mrs. Constance Anderson; Daly City-Colma, Mrs. A. C. Liberato; Pacifica, Mrs. Oliver Olsen; San Bruno, Mrs. J. J. Clark; and South San Francisco, Mrs. Andrew Commick.

THROUGHOUT CAL AND NEVADA

Lions Clubs Hold 'White Cane' Sales This Friday & Saturday

Eight-year-old David Uehlein, blind from birth, will symbolize the efforts of Lions Clubs in California and Nevada to raise funds for aid to the sightless during White Cane Days this week.

On Friday and Saturday, October 14 and 15, some 60,000 persons representing Lions Clubs in this community and many others in the West will join the drive to help lighten the dark worlds of David and hundreds of other youngsters and adults, said Karl R. Barnum, chairman of the 10th annual observance of White Cane Days.

Funds collected during the two-day drive will be used by Lions Clubs to provide guide dogs, correctional work, and other vital assistance to the blind. The Los Angeles Foundation for Junior Blind is a main recipient of the program.

Miss June Lockhart, star of the "Lassie" series, is the 1960

honorary chairman of White Cane Days.

"Youngsters like little David are a wonderful part of our society," commented Miss Lockhart. "Their brightness and zest for life can make the rest of us pause for just a moment to count our blessings — and then put the change into containers that the Lions Club representatives will be carrying in each community this week."

The traditional tiny white cane will be given to each donor during the campaign. Funder of the white cane as a signaling device for the blind was the late G. M. Bonham, member of Lions Club, International, in Peoria, Illinois, exactly 30 years ago this day.

The annual observance of White Cane Days was begun 10 years ago by the Lions Club of Monterey Park, California. It has since become a national and international event.

PROTECTIVE MEASURE

County Veterinarians Schedule Rabies Inoculations At 8 Sites

Inoculations to protect county residents against rabies infection will be offered for domestic animals at eight sites on Sunday, November 6, under the sponsorship of the County Health Department and the Peninsula Veterinarian Medical Association.

In announcing the special clinics, Dr. Harold D. Chope, County Health Director, explained: "We have not had a case of animal or human rabies in San Mateo County since 1946. However, the disease is endemic in both wild and domestic animals in the counties surrounding us and a high immunization level in domestic pets — both dogs and cats — would serve as an important barrier to an outbreak of rabies in this county."

Members of the Peninsula Veterinarian Association have volunteered to provide their services without charge for the three-hour period—2 to 5 p.m.—on November 6. There will be two or three veterinary doctors plus assistants at each of the sites.

To cover the cost of vaccine, syringes, and supplies, a minimal charge of \$2 per immunization will be made.

The stations for the rabies inoculations:

Daly City — War Memorial Community Center, Mission and Alp streets, PL 5-0850.

North County Health Center — 1024 Mission road, South San Francisco, JU 9-5222.

Pacifica Fire Station—Milagra and Edgemoor streets, FL 5-6486.

Brisbane Fire Station—San Bruno and Glen Park Way, JU 7-0189.

Burlingame Fire Station—Palm avenue at California, DI 3-4545.

San Mateo County Health Center—225 37th avenue, FI 1-1361.

Redwood City Fire Station—Middlefield road and Jefferson street, EM 8-1424.

Menlo Park Fire Prevention District — 300 Middlefield at Santa Monica, Menlo Park, DA 3-2404.

MARCHBANKS PARK HOSTS BIG DOG SHOW SATURDAY

Dogs by the hundreds will invade Daly City's Marchbanks Park this Saturday morning for Westlake Kennel Club's Fall Fun Match.

Canines of all ages will be entered in the trophy competition. Entries will be registered at 9 a.m. and the judging starts an hour later.

There is no charge for spectators, and President John Hunt of the sponsoring club urges a big audience. For more information, call Mrs. Mary Hercus, publicity chairman, PL 6-4339.

DWIGHT BENTEL

Top Journalism Educator Guest Of Rotarians

Dr. Dwight Bentel, head of the journalism department and assistant to the president of San Jose College, will be the guest speaker at the October 19 Rotary Club meeting at Westlake Bowl. "National Newspaper Week," October 15-21, will theme Bentel's talk.

Bentel, education editor of Editor & Publisher, is considered one of the country's foremost journalism educators. A graduate of San Jose State, he also studied at Stanford and received his doctorate at Columbia University in New York City.

Bentel's reportorial experience included duty with the old San Francisco Call-Bulletin. He has been with the San Jose State faculty since the late 1930's.

His appearance here was arranged by Rotarian Monte Dayton, advertising manager of Marchbanks Publications of Daly City. Dayton and Roy Hurlbert, news reporter for Marchbanks Publications, studied under Bentel and graduated from San Jose State in 1952.

Next Wednesday's Rotary meeting begins at noon in the banquet room of Westlake Bowl, reminds President Lou Minkin.

County Development Association Opposes Proposition No. 15

Striking out against a movement to concentrate political power in Southern California, the Executive Committee of the San Mateo County Development Association has unanimously passed a resolution condemning State Ballot Proposition 15, which would reapportion the State Senate solely on a basis of population.

The industrial development group's argument states that the existing legislative representation whereby the Assembly is formed on the basis of population and the senate by county provides a sound and equitable system of checks and balances.

Of primary interest to northern California is the fact that the area would lose eight of its present senatorial districts and the greater Los Angeles area would be represented by 12 out of the state's 40 Senators, thus completely destroying any value which the bicameral legislature may have, and putting complete control of all California legislation into the hands of a small group of legislators from a single area in the state.

Police To Auction 36 Bikes Oct. 21 Behind City Hall

Daly City police will auction off 36 bicycles, a red tri-cycle and one red scooter on Friday, October 21, behind City Hall, 75 Wellington avenue, starting at 10 a.m.

Capt. Roy Beecher is in charge of the auction. Highest cash bidders will get the bikes. Five of the 31 bikes are girls' vehicles.

NEW FREE BOOKLET EMPHASIZES 'THE HOPEFUL SIDE OF CANCER'

"The Hopeful Side of Cancer."

This is the title of the latest booklet on cancer currently available at the San Mateo County Cancer Society headquarters at 320 Third avenue in San Mateo.

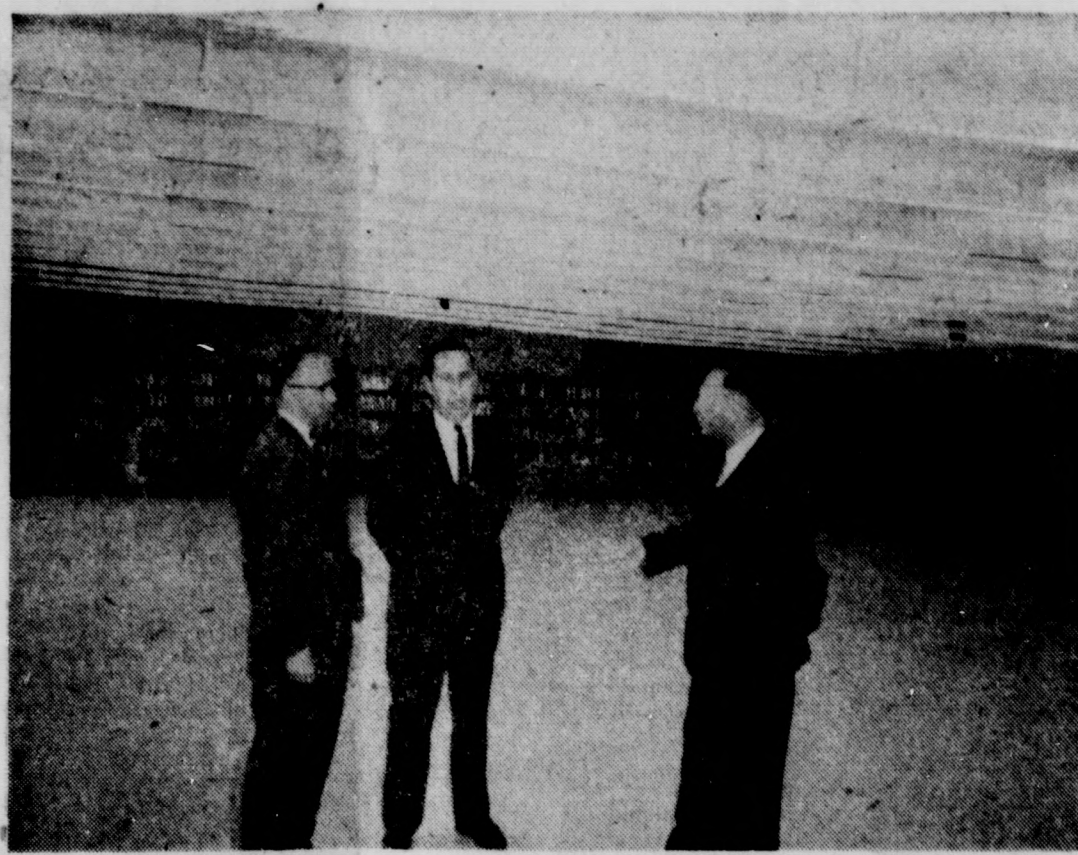

It points up the fact that 1,000,000 Americans have been cured and 165,000 are saved yearly. Great strides have been made in treating cancer through surgery, radiation and chemotherapy. Surgery, it is emphasized, produces a permanent cure, if the patient takes the necessary steps before the cancer spreads.

To alert potential cancer victims, the ever-expanding educational program of the American Cancer Society, annually has been producing increasing dividends in lives saved by the thousands.

And because of the work of ACS, doctors know more about cancer today, can diagnose it more accurately in a routine checkup, thereby bringing more unsuspected cancers to light in time to save lives.

The booklet enlarges upon the anticipated total victory over cancer, which ultimately is anticipated. Although it still eludes researchers, scores of new discoveries are increasing knowledge about the disease and are promising greater cancer control.

Also explained is the development of cancer in the body. Statistical information is provided and facts such as the major point that cancer can strike anyone—man, woman or child, strong or weak, hard-working

EMPTY spaces at Daly City's new main library, 275 Southgate avenue, will be filled this week and next with long-awaited furniture from Syracuse, N.Y. City Librarian Sam Chandler (left) discusses the delay with Mayor Frank Paci and City Manager Edward Frank. Grand opening date may be announced next week.

THE RECORD photo

'WOMEN FOR KENNEDY' NAMED HERE

Eight leading North County Democratic women were named "Women for Kennedy" chairmen in their communities today by Mrs. Beverly Keller, chairman of Women for Kennedy in the 25th Assembly District.

Among events they are planning is a reception October 25 at which Mrs. Edward (Ted) Kennedy, wife of the presidential candidate's brother, will be guest of honor.

In addition, the women will head local groups that will help man Democratic headquarters and help get out the vote on election day.

The local Women for Kennedy chairmen are:

Mrs. Leo Ryan and Mrs. I. L. Milam, South San Francisco; Mrs. Sheryl Johnson, Pacifica; Mrs. Antonio Gaudin, Millbrae; Mrs. Anthony Governale, San Bruno; Mrs. Max Wright, Burlingame; Mrs. William Gately (wife of the State Senate candidate), San Mateo; and Mrs. Bert Rosenblum, Hillsborough.

Many Adult School Classes Still Open At South SF High

Registrations are still being accepted for many classes in the Adult Evening School at South San Francisco High School.

The Fall semester, which started September 26, is offering 50 courses which include classes in Business, Mathematics, Industrial Arts, Languages, Arts and Crafts, Child Psychology, Home Gardening and Landscaping, Interior Decorating, Real Estate, Stocks and Bonds, Slim Trim, Public Speaking and Salesmanship, Current International Relations and Cosmetology. Registrations can be made Monday through Thursdays evenings after 7 p.m. in the High School Office, according to William Schmick, Director of Adult Education.

Meaning Of 'Press Freedom' Cited By College Instructor

(Editor's Note: National Newspaper Week is October 15-21.)

By Fred S. Sieber
Michigan State University

Freedom of the press, one of the great cornerstones of our democratic society, can more accurately be described as the freedom to dissent.

Just as we live by the rule of the majority, freedom to dissent guarantees us the right to disagree with and criticize the majority and also seek to enlarge minority views until they become those of the majority.

Newspapers, more than any of the other mass media, serve the function of dissent or criticism. It has long been recognized that newspapers have an obligation to act as a watchdog over all social institutions, and particularly over governmental institutions, constantly criticizing, constantly improving.

Freedom of the press is not an isolated concept but is part and parcel of the democratic process and of the system of free enterprise. Freedom of the press is only one of several aspects of the larger concept of freedom of expression or the freedom to hold diverse opinions.

The phrase "freedom of opinion" carries little concrete meaning because it is not the holding of opinions that needs protection but the expression of them.

Neither is freedom of the press the oldest historical concept associated with freedom of expression. The first aspect to be developed was what has commonly been called "freedom of debate." This freedom, one of the direct ancestors of freedom of the press, was first asserted toward the close of the 16th century during the reign of Queen Elizabeth I.

Although Parliament has a deliberative body had existed for several hundred years, the subjects taken up for discussion were strictly confined by orders from the Crown. Toward the end of the 16th century, Peter Wentworth, a member of Parliament, dared to introduce on the floor of the House of Commons a discussion of the effect of a foreign alliance through the marriage of the Queen, Elizabeth was furious and ordered the member imprisoned. Wentworth returned to the fray during the next session but was again imprisoned. However, during the next quarter century the Stuart kings were unable to suppress Parliamentary discussions of subjects irritating to the Crown, and Peter Went-

worth's position that in Parliament the members enjoyed freedom of debate was finally recognized.

All this occurred before the development of the newspaper. When that institution came along from small beginnings in 1622 and finally in a modern form late in the 17th century, the press contended that if the members of Parliament had freedom of debate, so did the public, and so did newspapers which represented the public. Thus was freedom of the press born out of the womb of freedom of Parliamentary debate.

Other concepts of freedom of expression followed, particularly freedom of religion which is again a part of the larger concept of freedom of expression. Freedom of the press paved the way for freedom of religion just as freedom of debate paved the way for freedom of the press.

The early sectarians found that through the publication of pamphlets and other types of ephemeral literature they could proselyte for their particular brands of belief. Through the press and through freedom of preaching they were able to further the concept of freedom of religious belief.

America is the fortunate inheritor of three hundred years of British experience and progress in the development of the idea of freedom of expression. Most of the battles had already been won by the time of the American revolution, and it remained for us to incorporate this concept in our bills of rights as part of our American constitutions.

Historically we have added very little to the original ideas inherited from English precedents, but one of the American additions in the development of freedom of the press has been the right of access to government information or what has popularly been called "Freedom of information." Many of the current conflicts over freedom of the press today revolve around the right of the press to gather and report information which comes into the hands of government personnel.

Some progress has been made in this area, but no final solution is yet in sight. No one as yet has devised a formula which will be self-executing to determine what information in the hands of government should be released to the public and what should, in the public interest, be kept secret at least temporarily.

Government personnel contend that large amounts of information in the hands of officials and subordinates cannot be made public without interfering with the business of government. The press, on the other hand, contends that all information in the hands of government is public information and should be available to the press and published at its discretion.

Somewhere along the line there is a reasonable solution. Public officials cannot arrogate to themselves the sole authority to determine what shall be made public and what shall be kept secret. Neither can the press avoid the conclusion that some classifications of information should, in the public interest, be withheld until negotiations or investigations have been completed.

VEHICLE REGISTRATIONS IN CALIFORNIA

The 1959 year-end total of vehicle registrations in California was 8,191,338, according to the National Automobile Club. The 1960 year-end total is expected to be considerably greater.

THE RECORD photo

SALUTE TO THE ISLANDS

Eight Free Luxury Liner Trips Feature Westlake's Big Festival

The Westlake merchants will salute the Islands of the Pacific during "Pacific Isles Festival Week," October 17 through 22.

High point of the week's events will be the awarding of eight special trips from San Francisco to Los Angeles on the Matson luxury liner, the S. S. Monterey. The awards will also include a sight-seeing tour of Hollywood and return flight home via PSA airlines. Tickets may be obtained from any Westlake store during the week and the drawing will be held in the Westlake Court on Wednesday, October 19, at 9 p.m. Tickets will be awarded to adults only. Many other special events will be scheduled during the festival week.

Monday will be Hawaii Day with leis to be given away. Tuesday will be Tahiti Day.

Wednesday will be Samoa Day; Thursday is Australia Day; Friday will salute New Zealand and Saturday is Pacific Isles Day.

Many other special events are planned during the entire week's celebration. Be sure to pick up your tickets and be present for the drawing on October 19.

Fire Prevention Poster Competition

Fire Prevention Week posters submitted by Daly City area public and parochial school children (grades third through eighth) will be judged at 7:30 Wednesday evening, October 19, at Central Fire Station in Westlake, according to Fire Bttn. Chief Frank Specht.

AROUND TOWN

By ROY HURLBERT

THAT recent Westlake Medical-Dental Building burglary (19 offices raided) had the folks at "Mutual of New York" up in arms.

Why? Well, the story incorrectly attributed Mutual of New York's loss to "Home Mutual of Omaha."

The feeling is mutual. Anyone for more insurance?

OCEANA High School in Sharp Park, originally scheduled to open in September next year along with Terra Nova, also in Pacifica, won't be ready until September of 1962, according to the latest from group headquarters. Terra Nova, in Linda Mar, will be completed as scheduled next year.

Question is—why did they name the afternoon session at Westmoor "Oceana"?

We asked and were told that a flip of the coin produced "Oceana" for the afternoon session. This is somewhat awkward because the Oceana kids next year will be attending Terra Nova. The real Oceana plant won't be ready for almost two years.

THE very, very few people who attend high school district trustee meetings literally roll in the empty aisles every time engineer Mark Falk of Falk and Booth (Terra Nova architects) prepares for a smoke.

Falk is one of those vanishing Americans who still "rolls his own." Bull Durham sack, patience and a performance that requires utmost skill.

DIRECTOR Lou Martin of Jeff High Evening School recites the economic facts of life as the "objectives" of many adults who are working for their high school diplomas here.

He says that persons with high school diplomas who enter the trades can look forward to an annual salary of \$8000 a year—about \$3800 more than non-high school graduates who have non-skilled jobs.

There are 140 adult school students working for high school diplomas this year. All but five of these are old enough to vote.

FRESH from conventions are Daly City and Colma fire chiefs Elmer Kennedy and George Bertucci (four days in Las Vegas) and City Librarian Sam Chandler (tea and crumpets in Pasadena).

Headed for Smogville for the League of California Cities annual confab in two weeks will be most of Daly City's councilmen, City Attorney Paul Hupf, Finance Director Joe Arch and City Clerk Evelyn Mosman. The lieutenants and sergeants will remain behind to watch the store.

BEN FRANKLIN School has a "brother act" student leadership. Student Body President is Ron Baker, and his veep is brother Larry. Ron is co-captain of the Les Vogel Powergliders football eleven and will travel to Hawaii for a Hula Bowl clash on January 8. Pacifica's Henry Anduha, former Daly City resident who now attends Lincoln High, is Ron's partner in leading the Powergliders.

POLICE asked "no publicity please" on this one, but it's only fitting to mention the efforts of Daly City officers and firemen last Friday morning in saving a would-be suicide on old Coast Highway near Mussel Rock.

The near-victim was all but gone (there was a hose from his auto's exhaust into the front seat) when Patrolman Jim Bergstrom spotted him, applied artificial respiration, then called firemen and Peninsula Ambulance.

If Bergstrom hadn't been so swift, there would have been the publicity of a successful suicide.

LAST week the mayors of San Mateo county virtually agreed to endorse county-wide sales tax and a "limit" of five percent from the municipalities to the county.

Credit where credit is due should go to City Manager Edward Frank who carried Daly City's "five percent limit" message so effectively that the non-sales tax representatives are ready to follow suit.

CITY Attorney Paul Hupf, a Buffalo-born USF graduate, is a solid Republican, yet he has the highest respect for Senator John F. Kennedy of Massachusetts.

Civil rights and Nixon's concept of private enterprise, Hupf believes, will keep the GOP on the job another four years.

JAMES Cooper, high school trustee from Pacifica (the town that's still holding out Westmoor's high costs), is a versatile vent. Jim's publicity chairman for the Westmoor-Oceana PTA. Keeping PTA ladies happy is a tall assignment.

Publicity chairmen are sturdy souls. They get all the blame when things go wrong and little thanks for time-consuming efforts.

BOB WATT, talented coach-of-all-trades and counselor at Jeff High, did an "excellent" job as principal of the district's summer school at Westmoor. "Income" amounted to \$25,379 and "expenses" totaled \$29,907. Transportation costs made the difference. Watt's 10-page summary of the session impressed trustees. He's a man with a solid future in education—a budding administrator.

RADAR-timers were demonstrated here Friday by a Sausalito distributor who showed Chief Roland Petrocchi and his aides how the gadgets work on Hillside boulevard outside War Memorial building.

Petrocchi "tuned" in on one vehicle that "deserved" a ticket for speeding—a loaded Greyhound bus containing school children.

TURNOUT at Monday's council meeting was good again, and look for it to remain heavy until the 1962 election when three seats will be "contested" in the full meaning of the word.

At this week's session McRobert Stewart and Albert Polonsky received commission appointments. The councilmen who nominated them made no comment on the qualifications of the men, what their lines of work are, and any other details. In short, the audience heard nothing more than two names.

Another drawback is lack of agenda "definition" on certain zoning matters. It would be well for the council to describe—on the agenda—the projects and explain their scope.

MUNI Judge Charles Becker, the popular Westlake who does twice the work of any other muni judge in the county, has been appointed new Grand Marshal of the Grand Lodge (Masons) of California. This is a one-year assignment of consequence. Becker, a leader in the Temple Judea building fund drive, is past Master of Starr King Lodge.

FACULTIES of Westmoor (morning session) and Ocean (afternoon session) at Westmoor High are getting a workout—same as the more than 2000 kids housed at the hilltop plant.

Regular classes run only 40 minutes (at Jeff it's 50), while shops and gym are 30 minutes plus 10 for cleanup and showers. This is condensed education at its extreme.

Westmoor instructor Bob Hyde, in his sixth year with the district, has a schedule that typifies the pace. He's a counselor (two periods), teaches two civics classes, directs student activities, and also is assigned the job of outside publicity.

Bob arrives at school before 7 a.m. and sometimes leaves as late as 2:30.

Double sessions hurt the teachers as well as the youngsters.

Candle-making Classes Begin Here Nov. 9

Daly City's Department of Recreation announces plans for adult and teenage Holiday Candle-making classes to be held for six weeks beginning November 9 and concluding December 14.

Classes will be held on Wednesday evenings from 7:30-9:30 for adults in War Memorial Community Center's Coral Room.

Teenage classes will be held on Thursday afternoons from 2-4 in the same location.

All those interested in participating will have the opportunity to receive instructions and actual experience in making holiday candles. Instruction will be given in glo-candles, honeycomb candles, etc.

For further information and registration, call PL 5-0850, Ext. 18.

Our Lady Of Mercy Cub Pack Announces Unit's New Leaders

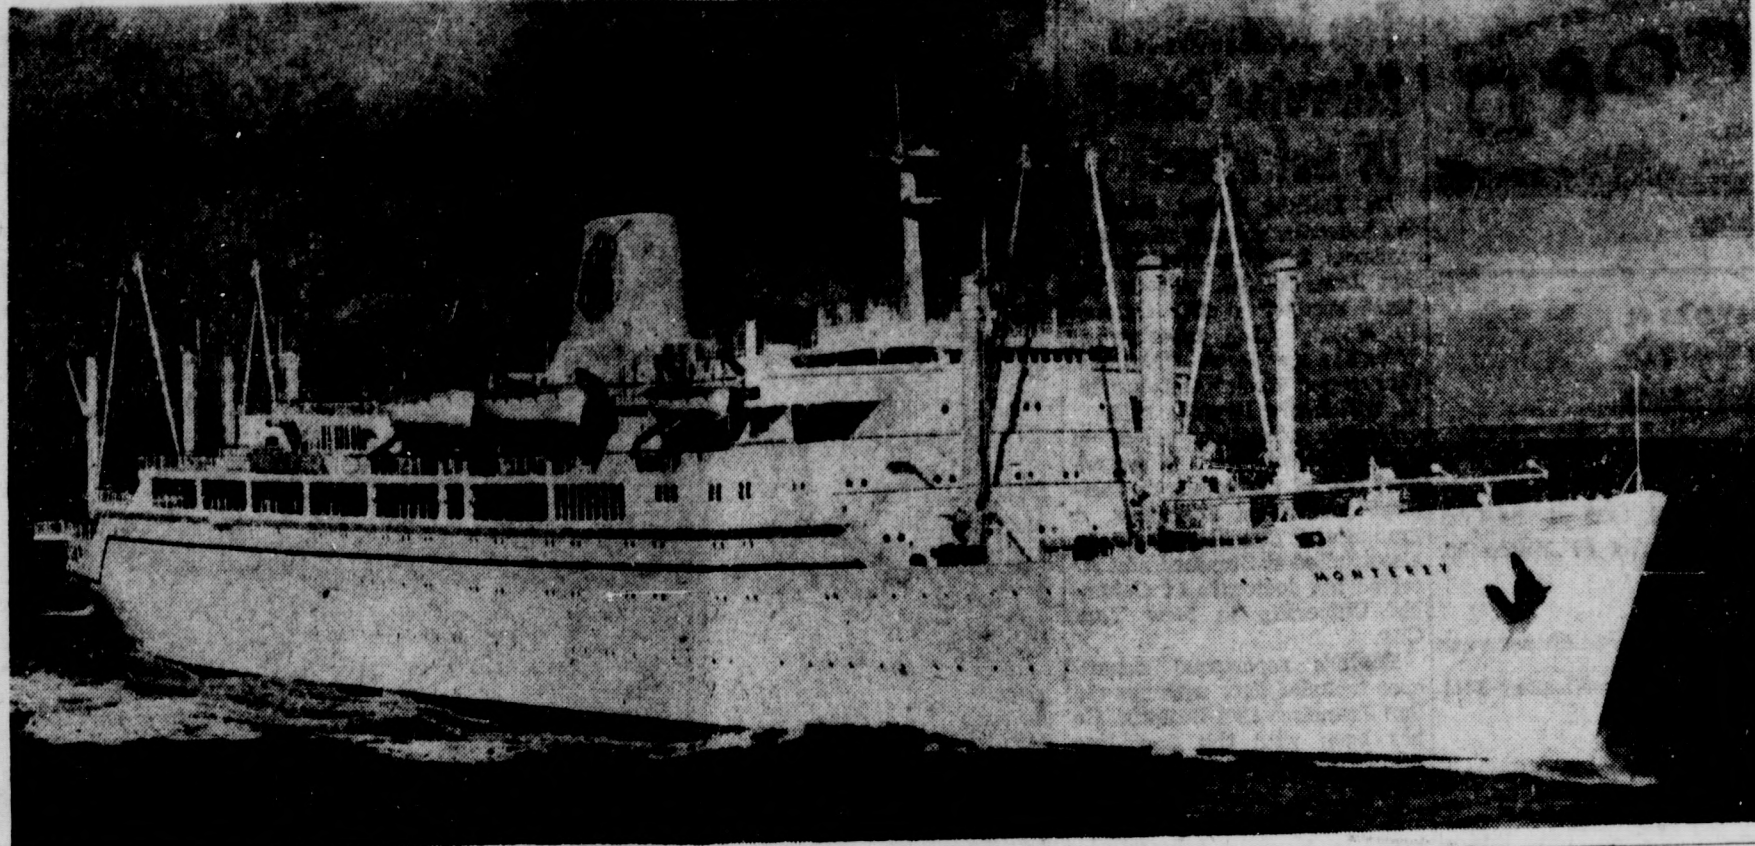

Youth Activities Chairman Frank Carroll, has announced the new leaders of Our Lady of Mercy Cub Pack 347.

The committee consists of: Randy Spieth, committee chairman; Ted Martin, treasurer; Roy Pasini and Don Walsh, membership; Bob Stanton and George Bigon, activities; Mike Fusaro, awards, and Julio Figueroa, Cubmaster.

The committee announces that there are seven Dens this year, including the new Webster Den, with Julio Figueroa acting as Leader for those boys who have achieved their Lion award and are ten and one-half years of age.

Den Mothers of the other six Dens are: Carmel Martin, Mildred Garrett, Jean Markovich, Faith Quiros, Joan Stanton, and Kay Dorian.

Through the courtesy of the Christopher Junior Forty-Niner Club, 60 Cubs attended the football game on October 2.

County's Scouts Ready Massive 'Get-Out-The-Vote' Campaign

As a climatic feature of the Golden Jubilee Year of Scouting, the 1960 National Good Turn of the Boy Scouts of America will be the third Get-Out-The-Vote campaign. As in the two previous non-partisan campaigns, the San Mateo County Council will participate.

Cooperating sponsors as they were in the successful campaigns of 1952 and 1956, the Boy Scouts of America and Freedoms Foundation Inc., of Valley Forge, will again undertake responsibility for the immense civic project.

A Get-Out-The-Vote committee of the San Mateo County Council has been established with William P. Rullhausen of Menlo Park as chairman and Harold Humber chairman of Northern District. Working with these men and teenage boys of the numerous Explorer groups in the area and their leaders. This week this group is putting into packages the kits for the Cub Packs and Scout Troops of the Northern District which they will then deliver to the units.

On Saturday, October 29, 40 million Scouts and leaders throughout the nation will place on every door, Liberty Bell placards with imprinted reminders to vote. It is expected that 1500 Cub Scouts, Boy Scouts, and their leaders of the Northern District which includes the communities of Daly City, Colma and South San Francisco will participate in this mass distribution to 18,000 homes.

The message on the Liberty Bell doorhanger will read: "Heed Youth's Call. Ring the bell for freedom. Vote as you please, but vote!"

The aim of the 1960 campaign is to surpass the results of both 1952 and 1956 Get-Out-The-Vote campaigns when the increased voting turnout was largely attributed to these efforts of the Boy Scouts of America and the Freedoms Foundation.

Strictly nonpartisan in concept and execution, the deeper purpose of the project is twofold, as emphasized by Dr. Arthur A. Schuck, who recently retired as Chief Scout Executive. "It is," says Dr. Schuck, "to instill a deeper consciousness of the privileges of American citizenship in the voters and to awaken in the boys participating the awareness of their own personal responsibilities as citizens."

Westlake Resident Receives \$150 Efficiency Award

A Daly City employee of the Military Sea Transportation Service, Pacific Area, received an efficiency award last week from Rear Admiral Eugene B. McKinney, Pacific Area commander.

The recipient, Mrs. Dorothy Pederson, 189 South Mayfair avenue, won a \$150 cash prize for accomplishment in her work in the MSTs Security Division.

EIGHT lucky Westlake shoppers will be aboard the Matson Luxury liner, the S. S. Monterey, for a coastwise cruise from San Francisco to Los Angeles. Tickets for the drawing may be picked up at any Westlake store for the drawing on October 19 at 9 p.m. in the Westlake Court. Eight adults will be awarded trips that include festive sailing, lunch, dinner, luxury cabin accommodations on the overnight cruise.

State's Cancer Leaders Convene

More than 350 leaders of the California state division of the American Cancer Society, headed by President John R. Dean, the well-known retired U. S. army major-general, will convene at the Villa Hotel this Thursday and Friday (October 14 and 15) for the fourteenth annual state convention, today announced San Mateo County CS President Mrs. Edward H. Jenanyan.

Two noted cancer research specialists, Dr. H. T. Randall, clinical director and chairman of the department of surgery for Sloan-Kettering Institute for Cancer Research; and E. Cuyler Hammond, Sc.D., director of the statistical research section of the ACS in New York, will be the main speakers during the two-day session. The state division will also hold its annual election of officers on Thursday morning.

Mrs. Jenanyan noted: "We are most honored to have been selected for this major convention of the state division of the American Cancer Society, which has recognized the public's contribution and participation in this area in the work of the A.C.S."

'Helping Hands' Hold First Meet

The O-Ki-Pa-Ka (Helping Hands) Group of Camp Fire Girls held their first meeting of this season on September 25 at the home of their guardian, Mrs. Daryl J. Ober, 80 Menlo avenue, Westlake. The assistant guardian, Mrs. Charles Sutton, attended the meeting along with six members: Fredrick Klemm, Kay Kramer, Vicki Ober, Peggy Riley, Karen Smith and Stephanie Sutton. Plans were made for the entire group and their families to go on an all-day outing at Crystal Springs Park on October 15. As part of their requirement for rank, the group will plan, prepare and serve lunch and dinner for all.

VG-Thornton PTA In First Meet Oct. 20

Vista Grande-Thornton PTA will hold its first meeting of the new school term on Thursday, October 20, at 7:30 p.m. in the Vista Grande multi-purpose room.

Newly-elected President Mrs. Thomas Lewin will preside. She will introduce the principal, Mr. Martindale, and he will introduce teachers of both schools. The meeting will then break up and parents will meet with the teachers.

This Meeting, "Let's Go To School," is a good opportunity for the parents of Vista Grande-Thornton children to meet the faculty, says publicity chairman Ellen McManus.

Refreshments will be served by the executive board following the meeting. All parents and interested friends are welcome and urged to attend this meeting.

The biggest attendance for an American boxing match was 104,943 at Soldier Field in Chicago in 1927 when Gene Tunney decisively knocked out Dempsey in 10 rounds. Receipts totaled \$2,658,660.

MERCHANTS OFFER TICKETS

Free Circus Opens 3-Day Run Friday At Winston Manor Center

The Winston Manor Merchants are sponsoring a Free Circus at the Winston Manor Shopping Center, Hickey boulevard and El Camino Real, this Friday, Saturday and Sunday, October 14, 15, and 16. It will be great fun for kids and grown-ups alike. Admission is by ticket only, and free tickets are available from any of the merchants in the Winston Manor Shopping Center this week. The entire show has been purchased by the merchants, and it will be put on free to the public as a goodwill gesture.

The circus will consist of the following: A circus tent complete with a steel ring for the animals and bleachers for approximately 500 people; a ringmaster and a clown will conduct the show which will include several trained animal acts including an elephant, lions, dogs, monkeys and ponies. Each show will be for approximately one-half hour duration; in addition, pony rides and cotton candy will be available for the kiddies at a nominal charge.

There will be several one-half hour shows each day at the following hours: Friday, October 14, noon, 2 p.m., 4 p.m. and 7 p.m.; Saturday, October 15,

10 a.m., noon, 2 p.m. and 4 p.m.; Sunday, October 16, noon, 2:30 p.m.

The circus is being put on by the Barnes Wild Animal Circus of Union City, California. They have recently played successfully this year at several other shopping centers including Stonestown, Bay Fair in San Leandro, and El Cerrito Plaza.

Owners and managers of the circus are Mr. and Mrs. Roy Bible.

The public is advised to come early and be sure to get a good seat at one of the shows.

Oceana Names First Student Body Officers

Oceana High wrote another page in its young history on September 27-28 when it elected its first student body officers.

The historic young people are: President, Ron Ball; Vice President, Kathleen Hepler; Secretary, Roberta Michelson; Commissioner of Clubs, Shirley Day; Commissioner of Publicity, Bobbie McWilliams; Commissioner of Rallies, Betsy Curtis; Commissioner of Entertainment, Ellen Frank, and Commissioner of Athletics, Bartley Kerr.

A run-off election for treasurer resulted in a victory for Arlene Stinette over Karen Post.

W'MOOR DANCE GROUP BEGINS FIFTH SEASON

Westmoor Dance Group has begun its fifth year in this community. It is a non-profit, cooperative group, offering classes for children of all ages, from pre-school through advanced ballet.

According to Mrs. Donald Fishman, the group's coordinator, enrollments are available in all classes. Call PL 6-5219 or PL 6-5289.

Classes are held each Thursday by the group, with Rod Strong, Judith Modell, Marion Lafkas, as instructors. The instructors are chosen from Dick Ford's staff. Ford has his own TV program on KQED every Thursday at 6 o'clock.

You can tell whether your silently idling automobile engine is actually idling by watching the ammeter, points out the National Automobile Club.

Notice To Taxpayers

COUNTY TAXES 1960 - 1961

Notice is hereby given that the first installment of taxes on all Real Property will be due and payable on NOVEMBER 1, 1960 and will be DELINQUENT on DECEMBER 12, 1960 at 5 p.m. and unless paid prior thereto a 6 per cent penalty will be added to the amount.

Both installments may be paid at the time of the first installment.

Send description of property when asking for tax statements. Notify this office of change of address.

If you do not receive a bill by November 10th, please contact the Tax Collector's Office IMMEDIATELY.

The office of the County Tax Collector will be open daily from 8 a.m. until 5 p.m., Saturdays, Sundays and Holidays excepted.

Address all communications regarding county taxes to

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

You are looking at the trend-setting car of our times, the '61 Ford... a car whose clean and classic profile is unmatched by any other in the world. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp, fresh front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is not only new in looks and ride and comfort, but new in its entire concept. The '61 Ford is actually built to take care of itself! It lubricates its chassis... cleans its own oil... adjusts its own brakes... protects its own body.

Indeed, here is a car that will save you valuable time and money by doing away with many stops for service.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF... THE FIRST 1961 CAR DEALER-WARRANTED FOR 12,000 MILES OR ONE FULL YEAR

Lubricates Itself. You'll normally go 30,000 miles without a chassis lubrication. Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter. Guards Its Own Muffler. Ford mufflers are double-wrapped and aluminumized—normally will last three times as long as ordinary mufflers. Adjusts Its Own Brakes. New Truck Size brakes adjust themselves automatically. Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors. Takes Care of Its Own Finish. New Diamond Lustre Finish never needs wax. Warranty. The '61 Fords are built to meet three principal goals: finest quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first. See this warranty at your Ford Dealer's now.

'Family Night' At Broadmoor Presbyterian

The High School Youth Fellowship of Broadmoor Presbyterian Church sponsors a Church Family Night this Friday, October 14, at 6:30 p.m. in the church social hall. Each attending family brings a salad and a hot dish to the potluck supper which begins the evening's activities. The sponsoring youth furnish the dessert, milk and coffee. Following the supper the youth will present a program of entertainment which they have been rehearsing with advisors Dorothy Spratt and Ray Corona. The congregation of the church and all those in the community interested in encouraging friendships through the church are cordially invited.

The Youth Fellowship is a part of the program of the High School Department of the church. Youth meetings are held on Sunday evenings from 7 to 8:30 o'clock. Another activity offered the youth is the Youth Choir which rehearses Thursday evenings from 6:45 to 7:30 and sings once or twice a month at the 11 a.m. Sunday Worship Service of the church. The choir will sing for the San Francisco Choral Conductors Guild on the evening of Monday, October 24. A number of the older high school youth are members of the Adult Choir of the church which is also directed by Delmar Severy with Gloria Mattson at the organ.

A major part of the high school program of the church is the two Sunday School classes held from 9:30 to 10:30 a.m. on Sundays. The ninth grade high school class is taught by Lee Bright and Barry Gould. The tenth through twelfth grade class is taught by Tom House with Robert Abbey as substitute teacher. The present teaching topic is "Jesus Christ" and a study of the Books of the New Testament. All high school youth interested in Christian Education through worship, study, discussion, projects and

Catholic Women's Speaker To Tell Africa Experiences

The Catholic Professional Women's Club will hold its regular meeting on Wednesday, October 19, at 8 p.m. at 325 Arguello boulevard. Mrs. Irene Rodden, a member of the club, active participant in Catholic and civic affairs, a teacher in the field of special education, and a world traveler, will speak on "Africa, Topic of the Hour." She will present a Catholic laywoman's impressions of the African continent. Colored slides taken by Mrs. Rodden will supplement the talk. Members and their guests are invited to attend and enjoy this timely topic.

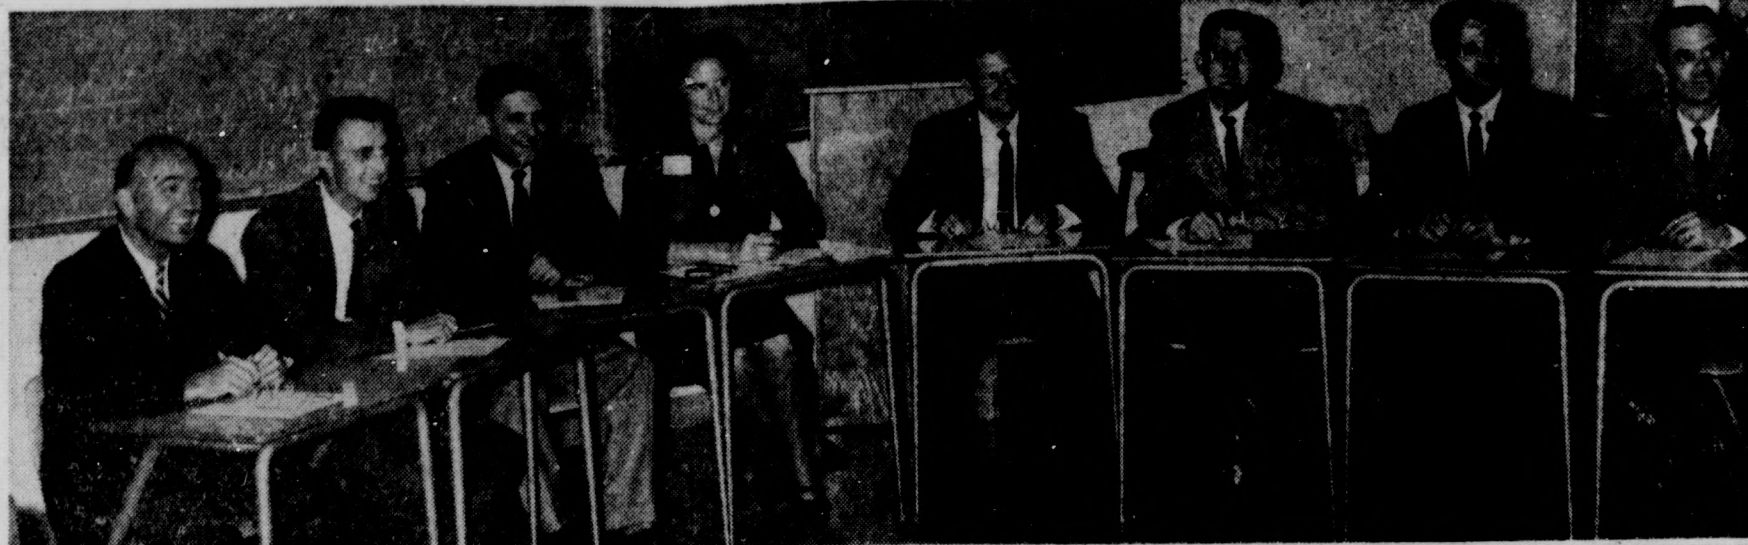

'REAL ESTATE' CLASS AT JEFF OPEN TO ADULTS

A beginning class in Real Estate is currently in progress at the Jefferson High School on Thursday evenings from 7 to 9:45. Joe Bava, Business Education instructor, indicated that there are still several openings designed primarily for persons interested in preparing for the state license examination. The class meets once a week.

This course is an introduction to the basic principles of real estate practice and will cover such pertinent topics as: sales, lease and exchange agreements, escrow, processing, and instruction in the use of listing agreements. Discussion will also be held on ethical real estate practice, state license laws governing the activities of real estate agents and brokers, financing, and the elements of appraising.

For more information, call the Jefferson Adult Evening School at PL 5-1162 before 5 p.m. or PL 5-6661 after 7 p.m.

activities are cordially invited to participate. Youth officers of the High School Department are Joe Rosio, moderator; Jim Spratt, vice moderator; Vicky Guz, secretary; Chad Reade, treasurer; Marsha Hart and Tim Tweedie, recreation; and Lynn Jones and Jim Lucke, refreshments.

NEWLY enlarged counseling staff of Westmoor High School meets for the first of many after-school sessions to discuss coordination of counseling activities. The staff includes (left to right) Evans Malonchi, 9th grade counselor; George Simon,

11th grade; Philip Capitolo, 9th grade; Miss Margaret Riggs, dean of girls; Clayton Kollman, dean of boys; Richard Hart, 10th grade; Robert Blanche, 10th grade; and Robert Hyde, 11th grade.

VICE STATE REGENT

Court St. Mary Women Here Plan Reception For Mrs. Wettstein

By Eleanor Mumford
Officers and members of Court St. Mary No. 1155, Catholic Daughters of America, will give a reception in honor of Mrs. Fred Wettstein, Vice State Regent, following the initiation of new members on Thursday evening, October 20, at Our Lady of Perpetual Help Hall, 80 Wellington avenue, Daly City.

Mrs. Wettstein is well known in the Bay Area and by Catholic Daughters throughout the state. She is a charter member of Court St. Mary, starting her activities when the Court was instituted 30 years ago. She served as the first Court organist, and has filled that capacity many times through the years.

Elected the third Grand Regent of the Court for a two-year term in 1934 - 1936 and again in 1939-1940, Mrs. Wettstein was appointed District Deputy following each term, and supervised Courts Junipero Serra, St. Francis, Mission, and Salesian.

The general session will follow. Hostess Court for the District Meeting is Court Salesian, Mrs. Geneva Saxenmeier, Grand Regent. General chairman is Mrs. Isabele Neves, with Mrs. Harold Kull in charge of reservations.

Mrs. Fred Wettstein

An archdiocesan chairman from 1950 to 1952, she directed the work of extension in the San Francisco archdiocese, a work she continued when she was appointed State Chairman of Extension in 1954.

She was elected to the State Court as Monitor in 1956, as Treasurer in 1958, and most recently as the Vice State Regent at the May Convention held in San Francisco this year.

All officers and members of the Catholic Daughters of America are extended a cordial invitation to attend the reception.

Mrs. Wettstein recently attended the first meeting, this term, of the Catholic Daughters of America Home Board, held in Salinas, where a home for retired senior members of the Catholic Daughters of America in the state of California, is to be built.

Mrs. Alexander Caprine of Glendale was re-elected president of the board; Mrs. Edwin Clancy of Alameda, who recently completed a two-year term as State Regent, was elected secretary; Mrs. F. Herbert Pritchard of Los Angeles, vice president; and Mrs. Alice Hood of Bakersfield, treasurer. Mrs. Fred Wettstein is on the board of directors.

The ladies also were shown the property that has been secured for the site on which this home will be built.

On October 1, Mrs. Wettstein

SHE'LL RIDE & ROPE

Dominican College Soph 'Queen' In Grand National At Cow Palace

Vivacious and as pretty as a picture, De Anne Garibaldi has been named Rodeo Queen for the Grand National Championship Rodeo, Horse Show and Livestock Exposition at the Cow Palace, October 21-30.

She can ride and rope, too. And even though she's an outdoors girl, De Anne is a student. She sings, plays three musical instruments and has won both speech and art contests. She's majoring in art at the Dominican College in San Rafael where she is a sophomore, and is taking her minor out in dramatics and speech.

De Anne and her horse have won a host of prizes. She has been an outstanding student at Amador County High School, participating in many school functions and sports. Her scholastic work has won for her both a Lions Club and a Bank of America achievement award.

The groundwork was laid for new "Wing" Girl Scout troops at a meeting at Capuchino High School on September 29.

William D. Hecht, representative from United Air Lines, sketched a seven-month program for Girl Scouts who are interested.

Mrs. Betty Everhart conducted the meeting and Mrs. Madeleine Peterson explained how aviation and scouting will be combined.

There is lots of room for more girls. Contact Mrs. June Strong, 17 San Felipe drive, South San Francisco.

Drop a postcard in the mail with your name, address, phone number, high school, and grade you are in. Send cards right away.

+ TEEN TALK + By Joe Bavaresco

Dear Mr. Bavaresco:

I am fourteen years old, and I've always wanted to be in ROTC. Now that I am in high school, I have joined ROTC. I have my future planned as a military man. All my other friends are talking gym. They call me a "weirdo" and make fun of me. I have lost their respect and friendship. They tease me and call me "Bang Bang Boy." I treasure their friendship, what shall I do?

Dear ROTC:

This may sound old-fashioned, but your so-called friends are very jealous of you. The friends, as you call them, are not really your friends. If they were, they would accept any decision you make and not ridicule you. Not only are your friends immature, but down deep, they envy you. If they weren't envious of you, they wouldn't bother going through all the trouble of teasing you. "People hide their envy with ridicule." Remember that the next time a "cut" comes your way. Also, I suggest you make new friends with guys who are interested in the same things you are — boys in the ROTC program. When you have new friends who have just the same interests you will have true friends. As you grow older, you will discover that your true friends stayed and the others fade!

Dear Mr. Bavaresco:
I belong to a teen dance club which we started at our church as you suggested in one of your columns. It is a big success, and we have over 100 members. My

problem is that my mother says that either her or my father will pick me up. I'm not allowed to go home with a boy in his car. Isn't that pre-historic?

J. M. P.
Dear J. M. P.:
No, it is not pre-historic. What would you think of a girl who went home with some guy who picked her up at a dance? Granted the boy may be all right, but suppose he takes the long way home or wants to park. He could show off by seeing how fast his car can go, or he could drive with one arm on the wheel and the other on you. Since it's after curfew, you might get picked up and be faced with a juvenile record. No, do not allow yourself to get involved or lower his respect for you by allowing such a thing to happen. If you want to have him drive you home, invite him to your home before the meeting so your parents can meet him. Then they will feel safer. If they tell you to get in by a certain time, make sure their wishes are carried out. They're doing you a favor, now repay them by obeying them. It's always a good idea to have a ride home with an adult or a boy whose parents know. It's not a good idea to walk home at night alone. It's not a good practice to walk home at night period — alone or in a group.

Thought for the week — Self confidence is a good thing as long as you don't over sell yourself. See you next week?

Write to Mr. Bavaresco at Camp Meeker, California.

B'nai B'rith Youth Director Guest Speaker

Seven Hills Chapter of B'nai B'rith has planned a short business meeting on Wednesday, October 19, at 8 p.m. in the home of Mrs. Ray Vinick, 2412 44th avenue, San Francisco.

Mrs. Joseph Gilbert, organizer of the chapter, has planned to have Eugene Lerner speak on the B'nai B'rith youth organizations' activities and social affairs. Lerner is the newly appointed B'nai B'rith Youth Director.

The luncheon and fashion show the chapter is planning will be held November 10 in the Skyline room of the Hilton Inn. The luncheon will be served at 12:30 p.m., followed by the fashions modeled by the women from the chapter and supplied by Lanz. Members and friends are invited. Reservations may be made by contacting the chairman of the affair, Mrs. Arthur Samuels, PL 6-5662, or Miss Nadine Vuyas, MO 1-2942.

If you would like to attend the next meeting and become part of the B'nai B'rith family, contact Mrs. Vinick, LO 6-4456, or Mrs. Marvin Cohen, LO 4-4733.

Seacliff Church Ladies Request Korea Clothing

The Women's Society of World Service of Seacliff Community Church invites members and friends in the community to participate in a drive for used children's clothing to send to Korea.

Captain Nelson Simcox, who is stationed with the Army in Korea, has said that there is an urgent need for warm serviceable children's clothing as winter approaches. A container for deposit of garments is in the foyer of the church, located at 50 Northridge drive in Westlake. Clothing should be clean and repaired before it is brought to the church. Anyone wishing to have clothes picked up for the drive may call PL 6-0612 or PL 6-0551.

The drive will end October 23 so that clothing may arrive in Korea for distribution before Christmas.

MARTINDALE FETED BY 'DUAL' PTA

The Executive Board of Vista Grande-Thornton Parent-Teachers Association were hosts at a tea on September 28 honoring Carroll Martindale, principal of the two schools in Daly City.

Also honored at the tea were the schools' teachers, secretaries, and the student teachers. The tea was held in the multi-use room of Vista Grande School, and the honored guests were served cold cuts, relishes, potato salad, a decorated cake, coffee and tea.

'Celebration' Meet
Daly City's 50th Birthday Week celebration planners will meet again on Tuesday, October 25th, at 8 p.m. in City Hall, 75 Wellington ave.

'Safety' Theme Of 17th PTA

Regular unit meeting of the 17th District, California Congress of Parents and Teachers, will be held at Pescadero High School on Thursday, October 20, commencing at 10 a.m. and will include luncheon.

The theme, "Safety Is Our Business," will feature Mrs. Robert Lewis, representative of UNICEF; Karl B. Justies, Regional Director, National Conference of Christians and Jews; and Gerald Schneider, traffic referee, San Mateo Probation Department. They will discuss their functions.

Committees reporting will be citizenship, international relations, juvenile protection, student welfare, legislation, recreation, and safety.

Mrs. Foriest Cunningham, 17th District president, announced that the program will be "an opportunity for all to secure first-hand information."

World War I Vets Meet Here

Veterans of World War I, Barracks No. 1620 and its Ladies Auxiliary, will hold their regular meeting on Tuesday, October 18, in the Community Center Building, Daly City, at 7:30 p.m.

All World War I veterans, their wives and daughters are invited to attend. News items on pensions will be discussed, according to W. R. Stagg.

PRESIDIO HILL SCHOOL SLATES FIELD TRIP

At 10 o'clock this Saturday morning, the children, parents, and friends of Presidio Hill School will assemble at the school for their first field trip of the new year. Gerald Gould, the school's earth-science teacher, will conduct the group from Presidio Hill, across the Bay to the Broadway Tunnel, then to Walnut Creek, Nortonville, Clayton and Mt. Diablo. This itinerary will allow the inspection of folded and faulted sedimentary and volcanic rocks, landslide topography, coal and quicksilver mine areas, as well as Bay Area topography from atop Mt. Diablo. The day will be climaxed by a cookout and songfest in one of the picnic areas on the slopes of Mt. Diablo.

This cooperative elementary school, now in its forty-fourth year, has an enrollment this year of 60 students and can still accommodate several more. The address is 3839 Washington street.

Louis returned to the ring in 1950 and lost a 15-rounder to his successor, Ezzard Charles. Joe later was kayoed by Rocky Marciano.

WHAT'S DOING
F. P. Riddle, your Telephone Manager in San Francisco

Coast-to-coast phone calls by satellite. Scientists of Bell Telephone Laboratories tell us that someday long distance calls may very well reach your home via man-made satellites.

Working under National Aeronautics and Space Administration's sponsorship, they carried on a two-way phone conversation between the Bell Telephone Labs in New Jersey and a NASA base in California via a "Project Echo" satellite. The signals carrying their voices were bounced off a 100-foot aluminized plastic sphere orbiting 1000 miles above the earth.

The Bell Telephone System has outlined to the government a plan to use about 50 satellites to provide communications between the United States and other parts of the world. Besides relaying phone calls, these satellites could also bring you live television from anywhere on earth.

Election day, November 8, is still a few days off. But it's not too early to make plans so you'll be sure to get to the polls. If you need transportation, now's the time to arrange with your friends for a ride. If small children keep you close to home, perhaps you can swap baby-sitting chores with a neighbor.

You can make these arrangements by phone... but that's not why I mention them. I just want to

remind you that every vote is important. Be sure you cast yours November 8.

If we're to believe cartoonists, nobody enjoys telephoning as much as today's teenagers. I won't risk an opinion on that subject, but I think you'll be interested in our special telephone training program for young people. It's called Teletrainer, and it's mighty popular in high schools. Last year, for example, nearly a quarter of a million high school students were trained with it throughout the Pacific West. We make Teletrainer available free of charge to help young people learn how to use telephones correctly. **Pacific Telephone**

County Leaders Hear Optimistic Report On Airport's Expansion

Business and community leaders from throughout San Mateo County met last week at the Hilton Inn to hear Leigh Fisher, internationally recognized authority on airport planning and management forecast that "airports will be downtown by 1970."

Fisher, a resident of San Mateo and associate of the local firm of Wilsey, Ham and Blair, addressed the fall membership dinner of the San Mateo County Development Association, sponsored by the Aviation Section of that group under the chairmanship of W. R. Thigpen, assistant to the president of United Air Lines.

Highlighting a program designed to introduce the newly announced \$8,000,000 expansion of the San Francisco International Airport, Fisher outlined the background of community development in airport areas throughout the country and stated that "by ten years from now, major airports will become major business centers—commercial centers which will be the nucleus of economy in all metropolitan areas."

Urging the immediate consideration of an "Air Cargo City" at the airport, he outlined the need for adequate facilities recommending a "crash program for the program for the development of such facilities." Fisher stated, "This Cargo City is essential now if the Bay Area as well as the Peninsula communities will most benefit from the air cargo boom predicted for the 1960's."

Previous to the dinner event, guests were afforded a complete tour of the airport properties by the management of the San Francisco International Airport. Belford Brown, airport manager, and other staff members presented a detailed description of the proposed expansion program during the tour as well as during the formal program after dinner.

William F. Morton, Crocker Estate Company, president of the Association, opened the evening's session by outlining the

economic value of the airport to San Mateo County. He pointed to the employment produced in and around the airport area, the over \$78,000,000 annual payroll, the \$37,000,000 of this payroll that is estimated that stays on the peninsula, the tax program that is generated by the airport proper as well as the tenants and generally told of the relationship of local business and the airport facilities.

One of the features of the evening program was the presentation of an award to Vanna Ketterman, Carlmont High School senior, for submitting the prize winning news article in a competition held by the San Mateo County Development Association for journalism students in county high schools. Students were requested to write an article on the new expansion program at the airport after a pre-press preview of the airport facilities held last week. Honorable mention articles were submitted by Dennis Vigren and Barbara Sawtell, Westmoor High School, Daly City, and by Lorie Dehner, Half Moon Bay High School.

Peter Yorke Council Sets Dinner Party

Father Peter Yorke Council No. 4119, Knights of Columbus, will hold its annual Columbus Day dinner and dancing party on Saturday, October 15, at St. Robert's School Hall at 7:30 p.m.

David S. Glines, the Council activity chairman, has an interesting program for the evening which will consist of the regular spaghetti and meat ball dinner followed by entertainment and dancing.

Tickets are \$1.50 per person and may be obtained from the chairman or from Grand Knight Thomas E. Shimer. All Council members and friends are invited to attend.

Wage Credits For '40 to '56 Military Vets

Persons with active military duty during the period from September 16, 1940, through December 31, 1956, are entitled to Social Security wage credits of \$160 for each month of active duty. San Mateo County Veterans' Service Officer, Floyd D. Granger said today in a reminder to veterans.

Ninety days of active service are required unless the veteran was discharged on or after discharge or injury incurred or aggravated in line of duty, and the discharge must have been other than dishonorable.

The wage credits may be granted to those who died in service as well as to those who died after discharge, it was also pointed out.

However, if a periodic benefit is payable by the military organization or another federal agency, except the Veterans Administration, based in whole or in part on active military service during the same period, the Social Security wage credits will not be granted for that same period.

Those on military retired pay also may receive the SS credits for months of active duty during the years 1951 through 1956, even though their retired pay is partially based on service between July 25, 1947 through December 31, 1956, provided they served actively after December 31, 1956.

Citizens of the United States in the armed forces of U.S. allies during World War II also may be entitled to the SS wage credits, under certain restrictions.

On January 1, 1957, members of the armed forces on active duty were brought under Social Security on a contributory basis, with payments to the fund withheld from their basic pay. Contributory SS wage credits for active military service may be added to any gratuitous and/or civilian wage credits in determining Social Security benefits.

THIS could be you aboard the luxury liner S. S. Monterey if you are one of the 8 winners of the big Westlake Pacific Isles Festival drawing. Eight lucky adults will be awarded overnight cruises from San Francisco to Los Angeles aboard Matson's S. S. Monterey, take a tour of the Hollywood area, and return to San Francisco via PSA Airlines.

'Introduction To Sociology' Isn't As Complicated As It May Sound

"Introduction To Sociology," As you saw this among the list of subjects offered at Adult School (nights at Jefferson and Westmoor), your reaction no doubt was—"It sounds too difficult... I don't know the first thing about it... it would take up too much of my time."

Maybe you signed up for another course or just forgot about Adult School altogether. Sociology is an extremely

tractions of this course.

In addition to providing an educational experience, Sociology, as well as the other Adult School classes, gives a person the chance to get away occasionally and meet others who share similar interests.

If you have more unanswered questions about sociology or about evening classes, or even a special problem such as transportation, please call Margaret Ransom, PL 5-5089; Janet Spears, PL 5-6546, or the Adult School Division, PL 5-1162.

Foster Says Elementary District Well Staffed, Offers 'Essentials'

"There are no double sessions in the elementary district," announced Superintendent Richard Foster at the get-acquainted meeting of Garden Village PTA on September 27. Mrs. William Stevenson, vice president and program chairman, introduced Foster who spoke of "People, Places and Things."

In the people category, he mentioned that local children, whose number has increased since last year, are getting a good program in the essentials. For example: every known method in education is being utilized in the teaching of reading. He also pointed out that local schools are staffed with teachers of unusual ability; they have an average six years of college each, they have been teaching an average of seven years and have been recruited from the best colleges and universities in the country from the top ten per cent of their graduating classes. In addition to the regular teachers, there are three guidance consultants, a curriculum consultant, several co-ordinators and three speech teachers.

In the "places" category, Foster declared that there are two new schools in the district, the Fernando Rivera and the General Pershing Schools. Garden Village School has two new grades this year, the fifth and sixth. New classrooms are being built where necessary and the district is three years ahead in its planning.

In the "things" category, all maps and globes have been brought up-to-date, there is an impressive array of audio-visual equipment, and the stock of library books is continuously increasing. Foster concluded his speech by saying that children, teachers, schools and things are well along their way in operational excellence in the JESD and pointed out the continuing need for the PTA's support and cooperation.

Girl Scout Troop 125 opened the meeting with a flag ceremony and led the pledge of allegiance. Participants were Susan Garrissere, Cindy Phillips, Linda Anderson, Jean Adamson, Carrie Cauchi, Connie Manis and Candy Chives. Mrs. Lawrence Phillips is leader of the troop and Mrs. Lawrence Anderson is the co-leader. Mrs. Peter Rizzo, character and spir-

itual education chairman, read the character thought for the evening. Mrs. Robert Fernkes, budget and finance chairman, presented the proposed budget for the year.

Principal Robert Abbey welcomed old and new members and introduced the teachers who were presented beautiful leis hand-made by Mrs. Martin Tonnisen. Mrs. Jack Bertken, president, introduced Mrs. George Garcia, membership chairman, who made a plea for increased membership which may be summed up thus: "to help your child in work and play — won't you join your PTA."

Following the meeting, refreshments were served by members of the executive board in cooperation with hospitality chairman Mrs. Jack Morrison. Carnival chairman Mrs. Ray Simonovich announces that Garden Village PTA is working on plans for the Halloween Carnival which will take place on October 29.

Garden Village PTA Meets Tuesday Night

The October meeting of Garden Village PTA, scheduled for Tuesday, October 18, at 7:30 p.m., will feature demonstrations by teachers in the individual classrooms of Garden Village School.

The main business meeting of the PTA will be conducted in the multi-use room prior to the classroom visitations by parents.

Box No. 1818, Washington 5, D.C.

Here's \$650,000 for the JEFFERSON SCHOOL DISTRICT

Because new school facilities were needed, you voted to authorize your school district to issue bonds. Bank of America and its associated investment dealers purchased these bonds to give your district the money it needs.

Interest rates on the bonds were decided by competitive bidding—a procedure required by law to obtain the lowest average interest rate for the taxpayer under current bond market conditions. Interest rates also reflect the credit rating of your district.

We, at Bank of America, bid on virtually all municipal bonds issued in the State — because we have confidence in the future of California and districts like yours.

One thing that gives us confidence is that you and your neighbors wisely recognize the demonstrated truth: good schools benefit all citizens — those with and without children alike. The quality of a community parallels the quality of its schools. This is reflected in property values through the years. Bank of America and its associates are proud to play a key role in the development of your schools.

You may be interested in buying Jefferson School District Bonds as a personal investment. They offer the advantage of tax exempt income and are available in denominations of \$1,000. You can purchase these bonds through your local Bank of America branch — or contact our Municipal Bond Department in San Francisco or Los Angeles.

NEW ISSUE. \$650,000 Jefferson School District, San Mateo County, California, 5%, 4 1/4%, 3 3/4%, 3.90% and 1% 1959 School Bonds, Series B. These bonds are being reoffered to investors to yield from 2.00% to 3.95%, according to maturity 1961-1984. The bonds due in 1985 are not being reoffered. These bonds are offered when, as and if issued and received by us and subject to approval of legality by our attorneys, a copy of whose legal opinion will be printed on each bond. A circular relating to these bonds is available from Bank of America. Names of other underwriters will be furnished on request.

'Maverick' Co-stars Tall-Dark-Handsome Huskies With Talent

By MONA BAKER

A most impressive background of films and the theatre has Roger Moore, talented English star cast as Beau Maverick in ABC's popular "Maverick" series (KGO-TV, Sun. 7:30 pm). Accompanied by co-star Jack Kelly, Moore flew up from Hollywood to meet the press and tell plans for the fall series produced by Warner Brothers.

Educated in England, Roger Moore studied architecture before switching to the theatre as a career. His television appearances include "The Alaskans," a Noel Coward television spectacular "This Happy Breed," and in England he appeared in the "Ivanhoe" television series. Some of his films include "Interruption of Melody," "The King's Thief," opposite Lana Turner in "Diane," and one of the most recent, the male starring role in the motion picture "The Miracle."

Debonaire and with just the proper amount of "savoir faire," both Kelly and Moore are well-cast as the "gay blades" of the entertaining "Maverick" series. They are both tall and handsome as well as talented actors who take pride in their profession and are most enthusiastic about their parts in the program.

It is still the season of premieres with new programs both local and network breaking out all over the TV lanes. Over KQED a most creative and stimulating series of children's programs tied together in a delightful program called "Carousell" begins this week and is seen daily at 5 p.m. Also over Channel 9, new football series with Chuck Taylor (Wed. 7 p.m.), "Musical Movies" (Thurs. 8:30 p.m.) and course in beginning French, "Parlons Français" (Fri. 6 p.m.).

Premieres over the networks, too: Bowling next week over ABC, KGO-TV, second season of popular "Championship Bridge" with Charles Goren (Oct. 16, 3:30 p.m.) and new Monday through Friday series featuring true-life stories of people who turn for help to modern psychiatry through group psychotherapy.

CBS's excellent "The Twentieth Century" starts a new season on October 30, over KPIX. New local series for tri-cycle set over Channel 5, debuts October 15, 12 noon, and WBC is currently presenting "Great Issue of 1960" on outstanding American Forum series.

Over NBC, KRON-TV "The Unforgettable Music of Youmans" on Bell Telephone Hour in color, October 14, 9 p.m.

Cast Selected For DC Players' December Play

The "Daly City Players" have selected the cast for their next play, Noel Coward's "Hay Fever."

The following have been assigned female roles: Danya Rookard as Judith Bliss, a retired actress and mother of two grown children; Beverly Dixon as Sorel Bliss, Judith's daughter; Jean Alphin as Myra Arundel, the weekend houseguest of Judith's son; Janet Jensen as Jackie Coryton, invited for the weekend by Judith's husband; and Marlene Sheridan as Clara, the housekeeper and ex-stage dresser for Judith.

The male castings: Paul Guaraglia will be David Bliss, Judith's husband and a well-known writer in his own right; Ray Navarra will play Simon Bliss, Judith's son, who is a cartoonist; Richard Fahrner is cast as Sandy Tyrell, an amateur boxer and Judith's houseguest; and Allan Miller will play Richard Greatham, a diplomatist who is Sorel's guest for the weekend.

Rehearsals began this month under the direction of Travis Wert. The play is scheduled to be performed on December 9 and 10 at Daly City's War Memorial Community Center.

World population today is about 2.8 billion and growing at a rate of more than 120,000 daily.

Bethel 198 Moms Slate Whist Party

Final plans have been made by the Mothers' Club of Bethel 198, Job's Daughters, to sponsor the whist party at the reception room of Spreckels-Russell Dairy, 1717 Mission street, San Francisco, on October 20, with lunch being served at 12:30 p.m. Many valuable awards will be made. Tickets are available from club members or at the door.

Mrs. Dorothy Fisher and Mrs. Leta Dennis were co-hostesses and served delicious refreshments at the October meeting. The next regular meeting will be November 6 in the social hall at Grace Presbyterian Church at 8 p.m.

Mrs. Stella Jensen, president of the Mothers' Club, traveled to Omaha, Nebraska, on business for the International Order of Job's Daughters. She returned Monday.

'Magic Moments' Tickets Now Available Here

The Westlake Catholic Women will hold their seventh annual Mercy Ball on Saturday, October 22, at the Pacific Room of the Villa Hotel in San Mateo. Chairman Mrs. Frank Ghiselli has announced the theme is "Magic Moments." Mrs. Mathew Campbell is co-chairman of the event, which this year will be a dinner dance. Dancing will be from 9 p.m. to 1 a.m., with music provided by Maurice Wollohan and orchestra.

Decorations, which will feature assorted autumn leaves and cones with ruby-red candles, are being prepared by decorations chairman Mrs. Astor Bucciarelli and Mrs. Paul Crowley.

Reservations are being taken by Mrs. Allyn Hutter and Mrs. Aldo Della-Santa and are priced at \$15 a couple.

Patrice Munsel Host For 'Telephone Hour' Friday On Channel 4

Lovely Patrice Munsel will serve as hostess for the season's second Bell Telephone Hour Friday, October 14, when the music of Vincent Youmans is featured.

The program will be seen on KRON-TV at 9 p.m. Also starred will be Janet Blair, Earl Wrightson, Red Nichols, pianists Whittemore and Lowe, dancers Bambi Lynn and Kelly Brown, Gretchen Wyler, the Norman Luboff Choir and Donald Voorhees and the Bell Telephone Orchestra.

Such familiar favorites as "Tea For Two," "Hallelujah," "Great Day," "More Than You Know" will be included in the program.

Gemstone-Jewelry Class Set Here For Beginners

The Department of Recreation announces the start of a gemstone and jewelry class at War Memorial Community Center on Monday evenings, beginning November 7.

Organized and conducted by L. Gene Meyers, an amateur "rock-hound," the class will include such topics as how to start a hobby, identification and location of gems and minerals, field trips to various mineral and gem locations, how to cut and polish gems, and how to make your own jewelry.

For further information and registration, call PL 5-0850, Ext. 18.

Heavyweight champ Rocky Marciano, who retired from the ring in 1956, won all 49 of his professional fights—43 of them by knockouts. It is estimated he made more than \$2 million during his historic career.

Westlake Sailor Aboard USS Essex In Mediterranean

Donald M. Wiesner, fire control technician second class, son of Mr. and Mrs. John L. Wiesner, of 49 Lake Forest drive, Daly City, is serving aboard the anti-submarine warfare aircraft carrier USS Essex operating with the Sixth Fleet in the Mediterranean. The Essex is scheduled to complete her three-and-one-half month NATO cruise in mid-December.

Rotarians, Lions Join Forces For 'Historic' Meeting

Eighty-one Rotarians and Lions broke bread last week in the first joint meeting ever held by the two Daly City groups.

The Rotary-hosted affair featured a talk by Congressman J. Arthur Younger of San Mateo County.

The Wednesday noon speaker this week will be Thomas Fitzpatrick, chief of the Criminal Intelligence Division of the San Francisco Police Department.

The Rotary Ann went to the Casa Madrone in Sausalito yesterday for a luncheon meeting.

Fire Prevention Week Demonstrations Here

This is "Fire Prevention Week" and Daly City firemen are demonstrating techniques at area schools.

Judging of students' Fire Prevention Week posters will be conducted next Wednesday night, October 19, at Central Fire Station in Westlake, according to Bttn, Chief Frank Specht.

PLANNING committee for the "Mercy Ball," scheduled October 22 at the Villa in San Mateo are (left to right): Mrs. Frank Ghiselli, Mrs. Mathew Campbell, Mrs. Astor Bucciarelli, Mrs. Aldo Della-Santa, and Mrs. Allyn Hutter. The dance's theme is "Magic Moments."

Drama Workshop At Westmoor

A Drama Workshop meets each Wednesday evening at Westmoor Adult Evening School from 8 to 10. John Graham, instructor from San Francisco State College, conducts the workshop and currently has about 15 adults enrolled but would like to have many more. No acting experience is necessary.

The Workshop will provide adults the opportunity to study various techniques and practices involving the theatre. In addition it will provide him with an opportunity to express his desires and potential for expression of self or in a group.

Adults who are interested should plan to enroll with Graham in the Little Theatre at Westmoor High School on Wednesday. For more information call PL 5-1162 before 5 p.m. or PL 6-3434 after 6:30 p.m.

Westmoor Band Has Full Slate

Westmoor band appearances for the fall season include playing at five football games and participating with the Oceana band and bands from other California schools at University of California and Stanford band days.

For the first time the Westmoor Band, sporting new plumes on band hats, will present a complete half-time show at league home football games. The first show will be presented on October 21, at the Burlingame-Westmoor game, to honor the Daly City team.

In addition to playing at home games, the "Green and White" band will play at the Jefferson game on Jeff's field, November 18.

About 50 band members along with Howard Loeffler, band director, will journey to Berkeley on Saturday for the Cal Band Day. On November 12, the band will participate in a similar affair at Stanford.

Grand Coulee Dam in Washington is the nation's largest concrete dam.

ST. VERONICA'S WOMEN AT VILLA

'Into Orbit' Fashion Show This Saturday Aids S.S.F. Parish

Fifteen models from St. Veronica's Women's Club are getting ready for "zero seconds" on the runway of the Pacific Room of the Villa Hotel, San Mateo. "Into Orbit With Fashions," the club's ninth annual luncheon show, is scheduled for a noon launching this Saturday, October 15.

Guest of honor will be the Rev. Paul Coleman, pastor of the parish. General chairman is Mrs. James McTiernan.

Mrs. Edward Corrigan, models chairman, has released the names of the mannequins who will wear fashions from Benioff's, San Francisco. The latest in furs and fall ensembles will be worn by the Mmes. Thomas Teshara, Louis Aber, Walter Ryan, Robert DeLisle, Amos Adkins, Louis Boiteux, Frank Kelleher, Robert Buchanan, Andrew Blaise, Paul Cooney, Raymond Doyle, James Maxwell, Frank O'Brien, Robert Charles and Richard Harnett. An Al King trio will play the musical accompaniment. At the microphone describing the fashions will be Helen Harris Benioff.

Deep in the top secret work of creating distinctive programs under the direction of Mrs. Ray Partridge are the Mmes. James Mullady, George Bennett, Stuart Semple, John Reardon, James McClure, and the Mmes. Kelleher and Adkins. Mrs. McClure is club president.

Tickets, at \$3.50 each, can be obtained by contacting reservations chairman, Mrs. James Keane, JUne 8-6900, and Mrs. George Dreier, JUne 3-1496. Proceeds will go to the parish building fund.

'Styles And Smiles' Fashion Show Set

The "Styles and Smiles" fashion show and luncheon, sponsored by the San Mateo County Association of Educational Office Employees, is scheduled this Saturday, October 15, at the Villa Hotel in San Mateo. Program chairman Barbara Rocklage, DI 4-9874 or DI 4-3728, may be contacted for ticket information.

HALLOWEEN PARTY SET BY KNIGHTS AT EAGLES HALL

Charles Poetzi, Grand Knight of Marian Council, Knights of Columbus, announces that on Monday evening, October 17, at 8 o'clock in the Eagles Hall, Daly City, the Council will hold its first Halloween costume party.

Carl Davis has been named chairman for the evening. He announces that prizes for the best costumes will be awarded and the evening will feature dancing, games, and fun games with many special surprises.

JEFF LOSES TO SAN RAFAEL, 18-6

Crippled Indians Host Hillsdale Horde Here Friday In PL Opener

Losers to Menlo-Atherton (27-0) and San Rafael (18-6 last Friday), Jeff High's injury-weakened Indians will be short-handed in their Peninsula League opener here Friday against Hillsdale's defending champion Knights. The kickoff is 3 o'clock at Jeff.

Coach Joe McGrath, his offense sagging by injuries to QB Bob Miller, fullback Bob Kas-

par and halfback George Claus, will have to get the utmost from his experience-shy regulars if the Tribe is to hold off a Hillsdale rout.

The Knights have lost two practice games to date, but looked good against powerful Willow Glen and Serra.

Sophomore Dan Hermosillo replaces ailing Miller at QB this week, and packing chores will be shared by Sam Ennon, Sal Blas, Tony and Stan Montalbo. Al Cascideo may see duty in the backfield, and Gary Molossi and Dennis Namaney have been promoted to first string line jobs — at right end and right tackle.

Miller suffered a slight concussion in the final quarter against San Rafael. The invad-

ers scored first with two minutes left in the first half after Jeff held them for three downs inside the Indian 6. In the third quarter, San Rafael tallied on a Miller pass interception. The Marin eleven scored in the fourth quarter on a 55-yard march.

Jeff's lone six points was tallied by Tony Montalbo on a QB sneak after a 35-yard run by Ennon and carries by Hermosillo, then at fullback, brought the Indians close to paydirt.

McGrath noted that Jeff made 140 yards on the ground — much better than their "minus" performance against Menlo-Atherton.

Next week the Indians jump out of the frying pan into the fire against sizzling Capuchino.

TAKE TO THE AIR, BOYS!

Rams Open League Play Vs. Mateans; Lose Closie, 27-20

Westmoor's Rams, losers of two practice games to date, will play for keeps this Friday afternoon in their Peninsula League opener against San Mateo's rated Bearcats. Game time is 3 p.m. at San Mateo.

Coach Pete Matis's Green and White-clad last Friday blew a 20-6 halftime lead and lost to Menlo-Atherton's comeback passes, 27-20, in a wild one at Sequia. Two weeks earlier, the Rams clipped Woodside, 13-7, in another close.

The Rams, generated by quarterback Steve Funai, outplayed heavier Menlo-Atherton for two quarters, then opened the gates and were nipped by a 21-point second half for the southerners.

Funai whipped a scoring pass to end Chris Hanson and scored another TD on a short run against the South PALers.

Halfback Tom Dake, Westmoor's answer to the best in the league, got the other six points on a short run. Dake and partner Walt Prouty ran the extra points.

Jim Chestnam was Menlo-A's big gun. He caught two scoring passes from Phil Huff and ran 22 yards for a third tally. Gene Kumagot the other TD for the southerners with an 82-yard kickoff runback.

Guard Roger Austin was outstanding both ways for the Rams. Defensive halfback Tom Robin was sidelined early in the game with torn knee ligaments. Dake and Prouty played their usual full-throttle.

San Mateo, despite hurts to two starters, could win them all this season. Leading the Bearcats is Jere Takahashi, a sprinter with three years' know-how.

Oceana Harriers Set Three Marks; Gridders 'Coming'

Three league records fell to Oceana High School boys in a recent cross-country meet against Jefferson.

Bill Orth set a frosh record; Steve Little established a soph record with a starting time of 10:29, which is a mark shot for by many good juniors and even senior runners; and Jim Beeler smashed a varsity mark with another fine time of 10:28.

While he heaps praises on many, Dennis Lanterman, the hustling Oceana track coach who has already set up the first annual Oceana Invitational Cross-Country Meet (Oct. 29), has gone overboard in espousing Little's talents.

"He's the best sophomore I've ever coached," says Lanterman unequivocally.

On the football front, things continue to look up for coach Floyd Gonella. He reports that a strong right side of the line is developing in defensive end Bob Rinaldo, who continues to be one of the surprises of the early season, tackle Bob Evans, and guard Manuel Pick.

Center Bob Aslin, he adds, continues to sparkle in the art of knocking ball carriers down.

Offensively, two good receivers have emerged from the pack in ends Tom Swinger and Bob Pettit, and Dewey Melton, a converted end, has looked like a hard, consistent runner.

Auto Mechanics Course For Adults At Westmoor High

The Jefferson Adult Evening School announced today that a new class in Automotive Mechanics opens at Westmoor High School on Thursday evenings from 7 to 10. Harry McDewitt, instructor, stated that many openings in the class are available. Adults may enroll at any time and have at their disposal the latest facilities and equipment.

Emphasis will be on the electrical, hydraulic, carburetion and other systems. Techniques in trouble-shooting will be discussed, including service and repair operation. Work will be conducted on cars and component parts.

For more information call PL 6-3434 after 6:30 p.m. or PL 5-1162 before 5 p.m.

The basic fee is \$1 and allows students to take additional classes as well.

WESTMOOR TRIO ATTEND AIRPORT TERMINAL MEET

To announce plans for a new South Terminal to be built at the San Francisco International Airport, the San Mateo County Development Association sponsored a student press conference at San Mateo County high school students at the Hilton Inn. Attending from Westmoor were seniors Barbara Sawtell and Dennis Vigren and Mrs. Doris Lindfors, advisor to the school newspaper.

Held in advance of the official press conference, the student press conference with representatives from nine county schools in attendance, featured a bus tour of the entire airport and talks by W. R. Thigpen, assistant to the president of United Airlines; Belford Brown, manager of the San Francisco International Airport; Ralph Krummer, Airborne Freight Corporation, and Don Wiley, director of Sound Abatement Center.

Following the conference the students were to write some news stories of approximately 1000 words about the new expansion plans. Westmoor students received honorable mention for their stories.

THESE boys, coached by Harry Vaplon (center), are Jeff High's defensive backs. Left to right are Sal Blas, Jack Durham, Duane Baswell and Stan Montalbo. The Indians meet Hillsdale here Friday at 3.

THE RECORD photo

City's Hi-Fi Teen Club Delegates Report On 'Youth Wants To Know'

Four council members of the Department of Recreation's Hi-Fi Teen Club represented Daly City at the 17th annual Northern California Youth Council Conference at Asilomar last month.

Each delegate attended different discussion groups based around the conference theme "Youth Wants To Know." All delegates were required to attend 12 hours of group discussions and general sessions. They were also able to spend some time in many forms of recreation, such as dances on Friday and Saturday evenings, and planned recreation periods including swimming (novelty races) and a delegates versus adult advisors whiffleball game.

On September 27, the delegates gave their report on the particular discussion group they attended to the Parks and Recreation Commission. Maryann Laramie discussed Youth/Adult relations—responsibility to parents, youth's acceptance of responsibilities, youth's privileges, and why parents worry. Under responsibility to parents, she stressed the fact that while parents unconsciously want their children to be a carbon copy of themselves, the teenager needs to become an individual, be independent to run his or her own life, with the protection of the parents, however. Close parent and youth relations make for closer understanding. People are judged by the company they keep, so the teenagers should choose their friends accordingly.

Craig Garcia discussed the topic Teen Problems. He stated there is a lack of communication between youth and law enforcement agencies in many

LA State Eleven To Face 'Jolted' Gators Saturday

Upset 21-18 by unbeaten Humboldt State last week, San Francisco State's varsity griders can expect another rough go this Saturday at 1:45 p.m. when they host Los Angeles State at Cox stadium.

Halfback Charlie Fuller, one of the finest runners in SF State history, scored three touchdowns against Humboldt and he'll be at full speed again for Los Angeles State.

The Gators' loss Saturday was their first in 13 games. But Coach Joe Verducci conceded his club had no excuses and Humboldt deserved the win.

SF State still could bounce back and take the Far Western Conference crown—if Humboldt stumbles along the way. This, indeed, is an unlikely possibility. The Lumberjacks are regarded as one of the nation's best small college elevens.

LIBRARY FRIENDS EXTEND THEIR MEMBERSHIP DRIVE

In consideration of the unforeseen delay in the formal opening of the new library on Southgate, it has been decided to extend the drive for new Friends of the Library an additional week. It was announced by Mrs. Thomas E. Brewer, president, last week.

A spot check throughout the area has revealed an unusually enthusiastic response to this membership drive, and the Membership Committee, under direction of H. Z. (Ted) Weibel, has been hard-pressed to handle the many details of this magnitude requires.

"Giving them an additional week's time," said Mrs. Brewer, "will enable them to reach that many more prospective members."

SPORTS

OCT. 23 AT MARCHBANKS

Daly City & Colma Firemen Set Annual Baseball 'Titanic'

Daly City and Colma firemen will clash in their annual baseball titanic on Sunday, October 23, at Marchbanks Park, starting at 1:30 o'clock.

Although there's no admission charge, the entertainment will be plentiful. Lyle Church will skipper the Daly City squad and George Bertucci will call the shots for the Colma crew.

John Castagnola, once the property of the Boston Red Sox, will start on the mound for Daly City. Jeff graduate Chuck Christian, also a minor league product, will be available behind Castagnola: Christian is a southpaw with lots of "stuff."

Chief Elmer Kennedy's starters will include centerfielder Gene Klinger, another Red Sox farmhand who once drew his paycheck from the San Francisco Seals.

The Daly City hose haulers defeated the Colma corps last

year, 4-3, and hold a 2-1 series edge.

Bertucci hasn't disclosed his starters as yet, a "mystery" that has Kennedy guessing.

"I just hope he doesn't bring in a bunch of ringers," Kennedy declared. "If he does, then we may have to call Horace Stoneham for some help. They tell me the Giants have a few extra ballplayers these days."

Parenti Paces Merchants Loop

Ken Parenti's 691 series and high game of 248 for Paul's Flowers paced Daly City-Colma Merchants League bowlers this week at Brentwood.

League-leading The Annex swept three games from Argonaut Realty.

JEFFERSON B RUNNERS WIN SACTO TROPHY

Jeff High's B division cross country team won a first place trophy in competition at Sacramento State's Invitational last Saturday.

Piling up points for Coach Norm-Cady's Indians were Ted Marquez, Len Marston, Carl Peterson, Ron White, George Presley and Ron Howell, Marquez finished sixth to lead the locals.

Jeff's varsity ace, Anibal Davila, took a fifth place in the time of 9:55. Clayton Valley's perennial champs swept the one-through-four positions. Cady also cited the varsity work of Rod Stoller who finished 32nd in the field of 150 varsity runners.

Touch-Footballers End Second Week Of Wide-Open Competition

Daly City Department of Recreation's touch-football leagues ended their second week of play Saturday.

In the fifth grade league, the BYA Falcons won their second straight with a 7-0 "defensive" win over OLPH. The loss evened the Bobcats' record at 1-1. BYA's "Flying Goose Sports Show" also evened their record (1 and 1) with a 19-6 win over winless Holy Angels.

BYA's Russo intercepted a pass and returned it for a touchdown for the first score of the game in the second quarter. Alfrido took a third quarter kick on his own 10 and returned it 50 yards for a score.

The PAL Jets and BYA Untouchables, who fought to a scoreless tie the first week of play, both won their initial game in the Sixth Grade League last week. Playing on a point basis (2 points for a win, 1 for a tie, and 0 for loss) gives the above mentioned teams 3 points apiece and a first place tie.

The Jets romped to a 35-0 win over the winless OLPH Aces as Norman Garcia, Larry Black and Freddy Garcia stood out on both offense and defense. The BYA Untouchables had a little more trouble in defeating the Daly City Drugs BYA, 18-6. The Untouchables led 6-0 at halftime on a 15 yard TD pass from Arnott to Smith. Arnott passed to Hess and Storblo late in the fourth quarter for the other Untouchable scores.

The BYA Darts and OLPH remained in a first place tie in the seventh grade league. The Darts scored a decisive 17-2 victory over Holy Angels. The winners turned the razzle-dazzle

play into victory as quarterback Heck pitched out to halfback Hood who faked a run and passed to end Smith for a 30-yard score. Heck scored the other BYA TD on a 15-yard end run. All other scores came by safeties.

The Daly City Foghorns met powerful OLPH. The parochial school seventh graders racked up a decisive 30-12 victory.

The PAL Colts whitewashed the BYA Rams, 14-0, to pick up their first win of the campaign. OLPH took undisputed possession of first place in the eighth grade league, defeating Benjamin Franklin, 8-2.

The PAL Raiders won their first game, 14-6, over Holy Angels. Ray Chippari scored the first PAL touchdown on a 25-yard pass interception return. Passes from Vince Leveroni to Duly Hought accounted for two PAT's and one touchdown.

Ken Tene scored the lone Holy Angels' touchdown.

DC Merchants Beat Diamond Aces In SF Winter League

Roger Kuchich's Daly City Merchants nine defeated the Diamond Aces, 6-2, Sunday at Crocker-Amazon park in Class D San Francisco Winter League play.

N. Krnich led the winners with two hits and two runs. Earnshaw and Adams shared mound duties for the Merchants.

With nine league games to go, the Merchants have a season record of 26 wins, 12 losses and one tie. The club finished third in the Daly City Recreation League.

WESTLAKE Group of Hadassah members are selling tickets for their big "Luau" October 22 at Westlake Auditorium. Seated is President Mrs. Seymour Handelman, and standing are (left) Mrs. Alan Goldstein and Mrs. Fred De Bow, co-chairmen of the event. Mrs. Arthur LaPedit is overall chairman. The affair will last from 8:30 p.m. to 1 a.m. and features the music of Al Borelli's band. Reservations at \$6 per couple may be made by calling PL 6-0772.

CONGRATULATING Mrs. Pat Kozak, housewife, 61 Crestwood drive, Westlake, on behalf of Home Mutual Savings are Ray Ball and Jim Clark, representatives of the long-established savings institution which recently opened its fifth office near Westlake Shopping Center at 177 Southgate. As a saver with Home Mutual, Mrs. Kozak received a free prize of appreciation when the Home Mutual representatives called at her door. The "Hi Neighbor" contest in which Mrs. Kozak won a prize offered substantial gifts and prizes to Westlake families who joined the large family of savers at Home Mutual, one of the West's oldest and largest savings associations. Ball and Clark dressed in the authentic garb of 1885, symbolizing the year Home Mutual Savings was founded.
